Dear Ms. Montalvo:

Our plat for Nueces River Irrigation Park, Block 1, Tract 9, Lot 1 is due to expire on May 8, 2016. The new owner of the property is Terry Oppliger who was previously involved with the project under the owner FMFD Calallen 360, Ltd. This request is made on behalf of Terry Oppliger. This project has been delayed due to the economic impact of the fall in oil prices. However, we are still moving forward with utilities and targeting to build this project in 2017. We request that the plat be extended for six (6) months in order for us to continue working on this project. We have enclosed the fee of \$38 for this request. Thank you for your consideration of our request.

Best regards,
