Staff Summary:

Requested Zoning: The applicant is requesting a rezoning from the “RS-6” Single-Family 6 District to the “CN-1” Neighborhood Commercial District to allow commercial uses.

Development Plan: The property owner requests the rezoning to be able to market the property for the highest and best uses possible. Further, the property owner requests “CN-1” Neighborhood Commercial to be zoned like the other three corners at the intersection of Kostoryz Road and Masterson Drive. There are no specific development plans at this time.

Existing Land Uses & Zoning: The subject property is vacant and zoned “RS-6” Single-Family 6 District. North of the subject property is zoned “RS-TF” Two-Family District and consists of low density residential uses. South of the subject property is vacant land and the Navy Army Community Credit Union, zoned “CN-1” Neighborhood Commercial District. East of the subject property is vacant property zoned “RS-6” Single-Family 6 and a recently constructed retail strip center in the “CN-1” Neighborhood Commercial District. West of the subject property is Galvan Elementary School in the “RS-6” Single-Family 6 District.

AICUZ: The subject property is not located in one of the Navy’s Air Installation Compatibility Use Zones (AICUZ).

Plat Status: Only a portion of the subject property is platted.

Comprehensive Plan & Area Development Plan (ADP) Consistency: The subject property is located within the boundaries of the Southside Area Development Plan (ADP). The proposed rezoning to the “CN-1” Neighborhood Commercial District is not consistent with the adopted Future Land Use Map designation of the property as low density residential, but it is consistent with the Comprehensive Plan Policy Statements

and the Southside ADP. The following policy statements of the Comprehensive Plan and Southside ADP should be considered:

- **Comprehensive Plan General Policy Statement D:** New development should occur in a pattern which is cost effective.
- **Comprehensive Plan Residential Policy Statement E:** Commercial activities which generate large volumes of traffic should have direct access to an arterial road without having to traverse low-density areas.
- **Comprehensive Plan Residential Policy Statement H:** Encouraging infill development on vacant tracts of land within developed areas.
- **Comprehensive Plan Residential Policy Statement I:** Incompatible industrial and commercial land uses should not abut residential areas.
- **Comprehensive Plan Commercial Policy Statement D:** Expansion of commercial uses into or within residential areas may be permitted only if the expansion maintains or improves the residential desirability of the impacted area.
- **Southside Area Development Plan Policy Statement:** High-intensity commercial and industrial uses should be buffered to provide transition from low-density residential areas through the existence of: A) Main roads; B) Public and institutional buildings; C) Open space; D) Scale of design; and E) Other transitional land uses.

Department Comments:

- The rezoning, while not consistent with the Future Land Use Map, is consistent with policies in the Comprehensive Plan concerning efficient in-fill development, providing commercial uses to serve neighborhood needs, locating commercial uses on arterial roadways, and buffering commercial uses from low density residential areas.
- A change to commercial uses will not alter the overall intent of the Southside Area Development Plan.
- The rezoning is compatible with present zoning of nearby property and to the character of the surrounding area.
- A "CN-1" District would allow uses that are suited for the property.
- The zoning change is not anticipated to have a negative impact upon the surrounding properties.
- Development standards and requirements in the Unified Development Code and adopted construction standards will ensure that eventual development occurs in a manner that will be compatible with adjacent development.

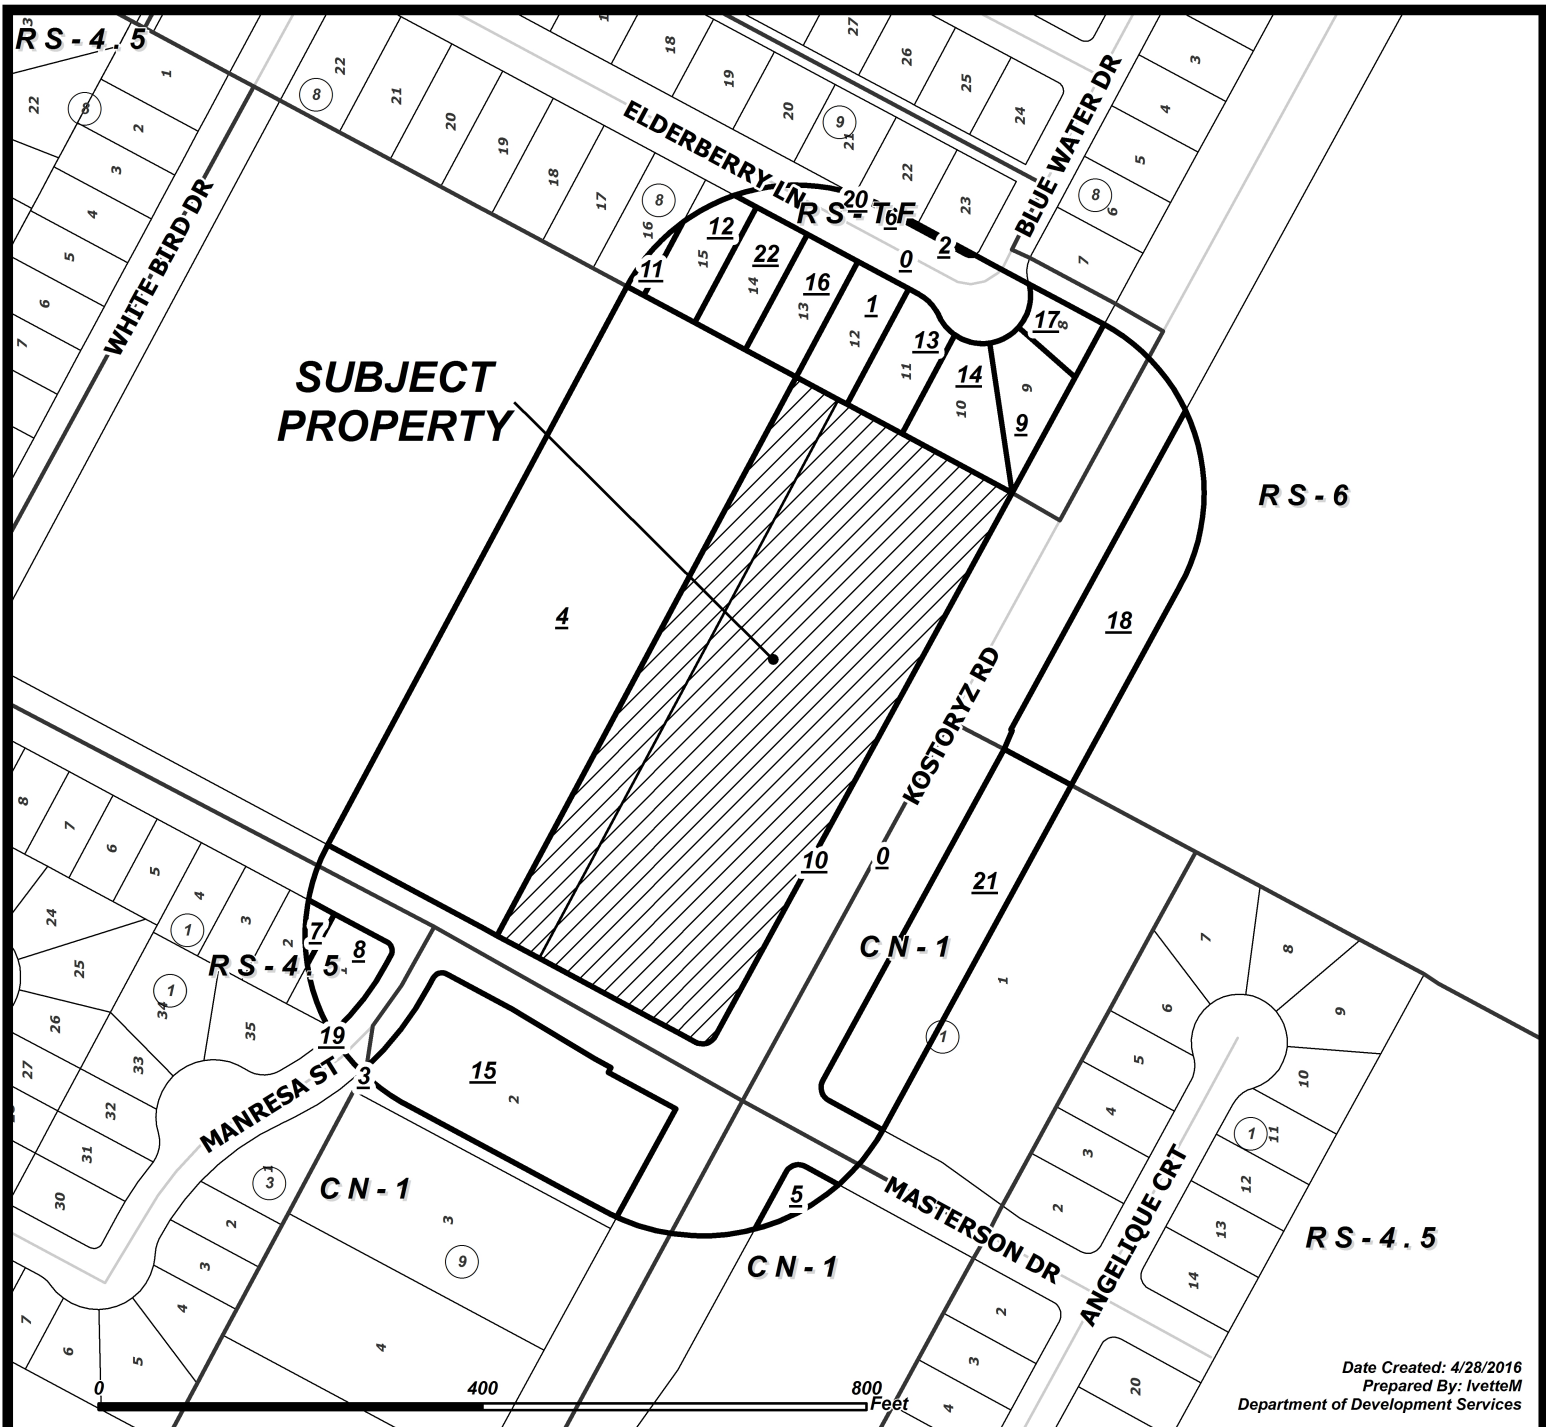

Staff Recommendation:

Approval of the change of zoning from the "RS-6" Single-Family 6 District to the "CN-1" Commercial Neighborhood District.
