

Public Comments from the 10/13/2015 City Council Public Hearing

No.	Suggested Edit	Notes	Addressed on Plan CC Page #	Planning Commission Recommendation
	Element 1, Vision and Principles			
1	The Principles: Promote good health. Create policies and physical conditions that promote healthy lifestyles in Corpus Christi through easy access to physical activity, healthy food, and medical <u>health</u> care.		15	
	Element 2, Natural Systems, Parks and Recreation			
2	Give priority to <u>diverse</u> native tree planting along major corridors and other public spaces, with sufficient short-term irrigation to establish trees for long-term, drought-tolerant survival.	Goal 6, Policy 3	25	
3	Continue to seek partnerships and sponsorships to support park <u>enhancements and</u> maintenance	Goal 8, Policy 2	26	
	Element 3, Resilience and Resource-Efficiency			
4	<u>Support building and site designs that take advantage of renewable resources, such as prevailing winds, sunlight, shade trees, etc. to reduce energy consumption.</u>	Goal 5, Policy 3	29	
	Element 4, Housing and Neighborhoods			
5	<u>Support programs and regulations that help create livable communities for the aging population.</u>	Goal 8, Policy 5	34	
	Element 5, Diversifying the Economy and Strengthening the Workforce

Public Comments from the 10/13/2015 City Council Public Hearing

No.	Suggested Edit	Notes	Addressed on Plan CC Page #	Planning Commission Recommendation
	Element 6, Transportation and Mobility			
6	Support a multi-modal transportation network that is integrated with land uses, <u>where destinations are easily connected by accessible paths.</u>	Goal 1, Policy 1	43	
	Element 7, Community Infrastructure, Facilities and Services			
7	Promote reduction of pollutants <u>and litter</u> in the Bay by reducing storm water discharges.	Goal 4, Policy 2	48	
	Element 8, Future Land Use, Zoning and Urban Design			
8	Preserve and protect <u>watersheds and</u> environmentally sensitive land and water.	See the 1st bullet point under Environment and Resilience in the Land Use Principles.	53	
	Element 9, Stewardship and Implementation of the Plan
