**Staff Summary:**

**Requested Zoning:** The applicant is requesting a rezoning from the "CN-1" Neighborhood Commercial District to the "CG-2" General Commercial District to allow the construction of a self-service car wash, however, if the zoning change is approved, any of the uses permitted in the "CG-2" General Commercial District may be developed on the property.

**Development Plan:** The proposed rezoning is a part of the Roseland Place Subdivision. The applicant indicates that current plans are to construct a self-service car wash.

**Existing Land Uses & Zoning:** The subject property is vacant and zoned "CN-1" Neighborhood Commercial. North of the subject property is zoned "CG-2" General Commercial and consists of a fast-food restaurant. South of the subject property across Horne Road is zoned "CN-1" Neighborhood Commercial and "RS-6" Single-Family 6, consisting of low density residential uses and a flower shop. East of the subject property is the freeway and across the freeway is a mini-storage facility which is zoned "IL" Light Industrial. West of the subject property is vacant and zoned "CG-2" General Commercial.

**AICUZ:** The subject property is not located in one of the Navy's Air Installation Compatibility Use Zones (AICUZ).

**Plat Status:** The subject property is platted.

**Comprehensive Plan & Area Development Plan Consistency:** The subject property is located within the boundaries of the Westside Area Development Plan (ADP). The proposed rezoning to the "CG-2" General Commercial District is consistent with the Westside ADP and the adopted Future Land Use Map's designation of the property for commercial uses. Applicable Comprehensive Plan policies include but are not limited to the following:

- **Comprehensive Plan General Policy Statement D:** New development should occur in a pattern which is cost effective. The City should encourage new development where services can be provided economically and, wherever possible, promote contiguous development.
- **Comprehensive Plan Commercial Policy Statement F:** Commercial activities which generate large volumes of traffic should have direct access to an arterial road without having to traverse low-density areas.
- **Comprehensive Plan Commercial Policy Statement G:** Commercial service areas designed to serve local neighborhoods should be conveniently located and in harmony with the surrounding neighborhood.
- **Comprehensive Plan Residential Policy Statement H:** Encouraging infill development on vacant tracts of land within developed areas.

**Department Comments:**

- The proposed rezoning is consistent with the Comprehensive Plan.
- The property is appropriately located for commercial uses at the intersection of an expressway and a minor arterial roadway.
- The rezoning is compatible with present zoning of nearby property and to the character of the surrounding area.
- A “CG-2” District would allow uses that are compatible with the surrounding properties.
- The rezoning is not anticipated to have a negative impact upon the surrounding property.

**Staff Recommendation:**

Approval of the change of zoning from the “CN-1” Neighborhood Commercial District to the “CG-2” General Commercial District.
