Subject: SBC Resort Phase I, Unit 1 (Final Plat)

Mrs. Garza-Montalvo:

We, Urban Engineering, on behalf of Upper Padre Partners, LP, respectfully request a time extension of six (6) months for the above referenced final plat. Our client is needing additional time to work out details pertaining to the implementation of the overall development of this project. We recently submitted a request for, and received, a two year extension on the preliminary plat associated with this project. We have included a check in the amount of \$38.00 (Check No. 028345) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
