The RTA has allocated the amount of \$2,814,839.00 for its fiscal year 2016 under the Agreement. Such funds shall be paid to the City for projects in the manner provided under the Agreement.

As provided in the Agreement, the City has agreed to submit its proposed list of street improvement projects for fiscal year 2016 funding and file a report with the RTA within 90 days following the end of each year on the expenditure of the funds paid to the City during the previous fiscal year.

The RTA additionally has adopted a policy to encourage contracting with disadvantaged business enterprises (DBEs) in all procurements and has adopted a goal of 13% participation for the current year. The City is encouraged to provide contracting opportunities for DBEs in connection with the use of these funds and include the level of DBE participation in the final report.

This Amendment is made for the sole purpose of acknowledging the additional funding for 2016. All terms and conditions of the Agreement shall continue in full force and effect and are ratified and confirmed.
