

Water and Wastewater Treatment On-Call Support

Council Presentation
August 9, 2016

Project Location

Project Scope

This Master Services Agreement (MSA) provides on-call services to assist with any technical, operational, maintenance, diagnostic and design concerns for the City's O.N. Stevens Water Treatment Plant (ONSWTP) and six wastewater treatment plants. The services include:

- Project management
- Permitting and regulatory services
- Electrical support services
- Condition assessment
- Project coordination
- Capacity assessment
- Asset management
- Remedial measures
- General engineering services
