	<i>West</i>	"CI" Intensive Commercial	Commercial	Commercial
ADP, Map & Violations	Area Development Plan: The subject property is located within the plan area boundaries of the Central Business Development Plan. The Future Land Use Map designates the subject property for high density residential uses and commercial uses. The proposed rezoning to the "CI/SP" Intensive Commercial District with a Special Permit is not consistent with the adopted Future Land Use Map. Map No.: 045044 Zoning Violations: None			

Transportation	Transportation and Circulation: The subject property has approximately 184 feet of street frontage along Agnes Street, which is designated as an A2 Secondary Arterial street. The maximum desirable average daily trips for an A2 Secondary Arterial street is 20,000 to 32,000 trips.

	Agnes Street	“A2” Secondary Arterial	100’ ROW 54’ paved	60’ ROW 40’ paved	3,049 ADT

Staff Summary:

Requested Zoning: The applicant is requesting a rezoning from the “RM-3” Multifamily 3 District and the “CI” Intensive Commercial District to the “CI/SP” Intensive Commercial District with a Special Permit to allow for the construction of a warehouse for Jean’s Restaurant Supply.

Development Plan: The applicant intends to construct a 3,750 square foot warehouse, office and associated parking lot. The warehouse will be used by the adjacent existing restaurant supply store. In addition, to allow more customer parking at the existing Jean’s Restaurant Supply, the new parking lot on Lot 10A will be used for employee parking, delivery vehicle parking and loading of delivery vehicles. A portion of lot 10A will not be paved and reserved for future parking and/or building expansion. The applicant has indicated that the warehouse is likely to have five to 30 deliveries per week to customers and four to five warehouse supply shipments to the warehouse per week. The applicant has indicated that the property will not have any outside storage uses and will contain an office for a warehouse employee.

Existing Land Uses & Zoning: The property to the north across Agnes Street is a car lot and single-family dwelling and is zoned “RM-3” Multifamily and “CI” Intensive Commercial. To the south across an alley consists of a vacant lot, multifamily dwellings and a commercial use (Jean’s Restaurant Supply office) with the “RM-3” Multifamily 3 District and the “CI” Intensive Commercial District. East of the subject property is vacant land in the “RM-3” Multifamily 3 District. To the west of the subject property is a commercial use (Jean’s Restaurant Supply store) in the “CI” Intensive Commercial District.

AICUZ: The subject property is not located in one of the Navy’s Air Installation Compatibility Use Zones (AICUZ).

Plat Status: The subject property is comprised of a single platted lot.

Comprehensive Plan & Area Development Plan Consistency: The subject property is located within the boundaries of the Central Business Development Plan (ADP). The proposed rezoning to the “CI” Intensive Commercial District is not consistent with the adopted Future Land Use Map’s designation of the property as high density residential, however, approval of the change in zoning may further several goals and policies contained in the ADP and the Comprehensive Plan.

The following are pertinent policies of the Comprehensive Plan and the ADP that warrant consideration.

- Infill development should be encouraged on vacant tracts within developed areas (Comprehensive Plan, Residential Policy Statement h).
- Business areas that feature mixed office use and retail activities should be encouraged (Comprehensive Plan, Commercial Policy Statement a).
- Expansion of commercial uses into or within residential areas may be permitted only if such expansion maintains or improves the residential desirability of the impacted neighborhood (Comprehensive Plan, Commercial Policy Statement d).

Department Comments:

- Existing conditions imply an adjustment to the Future Land Use Map may be appropriate to designate the subject property for commercial uses.
- The rezoning of the property and the subsequent development thereof furthers policies pertaining to infill development.
- The “CI” Intensive Commercial District conditionally allows a warehouse use, provided the warehouse is subject to a special permit.
- The property to be rezoned is suitable for uses permitted by the “CI/SP” zoning district. The Special Permit would further limit the property to acceptable uses.
- Commercial uses are appropriately located along an arterial roadway.
- The proposed rezoning would not alter the character of the immediate vicinity.
- The proposed rezoning is not anticipated to negatively impact the surrounding properties.
- The Special Permit request meets all of the review criteria required by UDC Article 3.6.3.

Planning Commission and Staff Recommendation:

Approval of the change of zoning from the “CI” Intensive Commercial District and the “RM-3” Multifamily 3 District to the “CI/SP” Intensive Commercial District with a Special Permit for a warehouse facility, subject to the Owner meeting the requirements of the Unified Development Code and the following additional conditions:

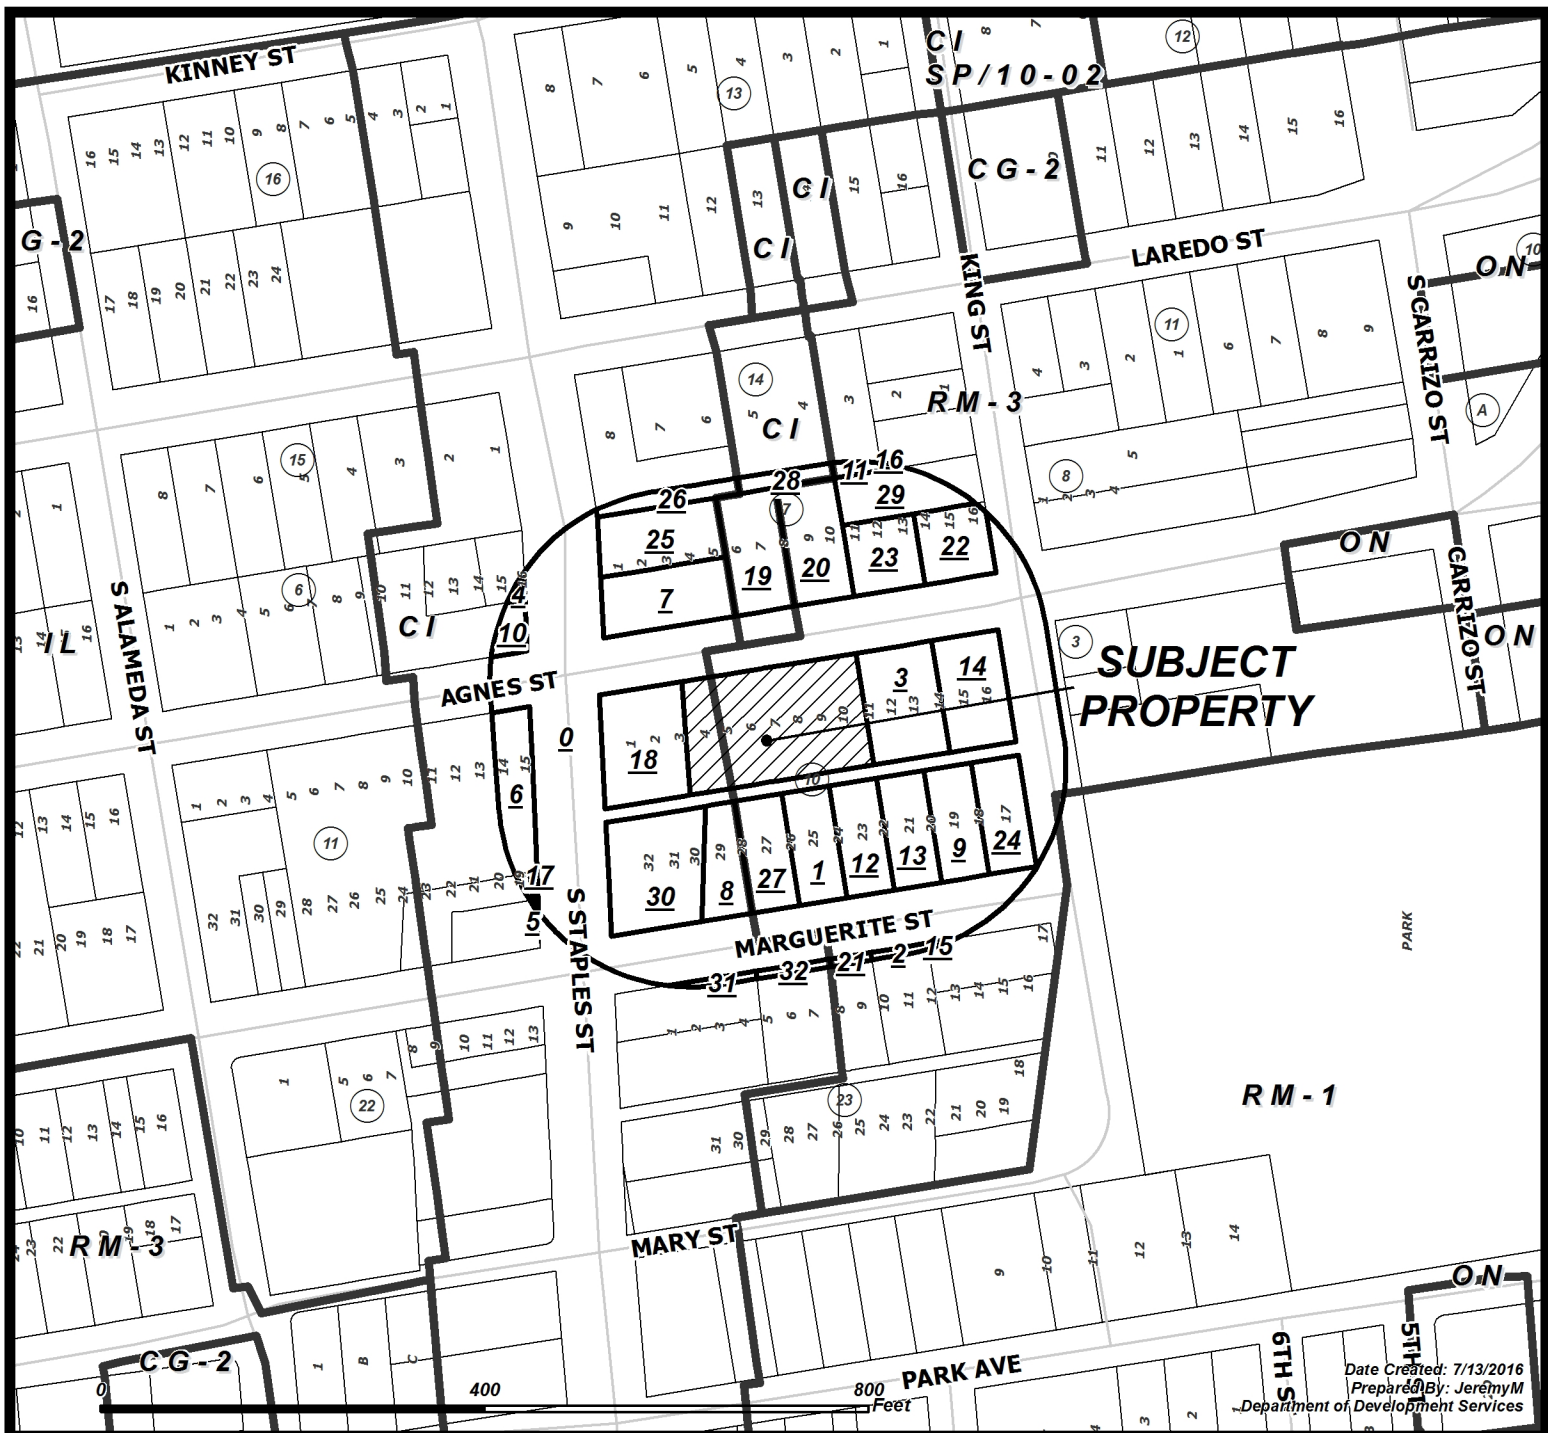

1. **Uses:** The only use authorized by this Special Permit other than uses permitted in the base zoning district is a warehouse for retail goods.
2. **Façade:** The portion of the building facing Agnes Street shall be made of similar architectural materials as the abutting retail building on South Staples Street, currently Jean’s Restaurant Supply.

3. **Lighting**: New freestanding light poles on the Property shall not exceed 15 feet in height. The Owner shall comply with all other UDC lighting requirements. Any nonconforming freestanding lights existing on the Property shall comply with these regulations upon being replaced in their entireties.
4. **Hours of Operation**: 7:30 am to 5:30 pm., Monday through Friday.
5. **Signage**: Off-premise advertising signage is not allowed on the property. Pole mounted signage shall not exceed 64 square feet in area and 20 feet in height.
6. **Dumpster Screening**: Any dumpster located on the Property shall be screened from view from public right-of-way, located behind the street yard and, located at least 35 feet from the southern property line.
7. **Driveways**: Upon development of the Property, one of the existing driveways shall be removed and the remaining driveway shall comply with the Unified Development Code, including maximum driveway width.
8. **Building Height**: The height of buildings on the Property shall not exceed 20 feet.
9. **Time Limit**: This Special Permit shall expire 18 months after approval unless a Certificate of Occupancy has been issued. The Special Permit shall expire if the special permit use is discontinued for more than six consecutive months.
