Case No. 0716-06

HTE No. 16-10000021

Planning Commission Hearing Date: August 24, 2016 (Continued from August 10, 2016)

Applicant & Legal Description	Applicant/Owner: Corner Strong Limited Representative: Kamran Zarghouni Legal Description/Location: Being a 4.99-acre tract of land of which 4.52 acres is out of Lots 17, 18, 31 and 32, Section 11, Flour Bluff and Encinal Farm Garden Tracts and 0.47 acres is out of Lot 11, Block 2, Barclay Grove Unit 11, located on the east side of South Staples Street (FM 2444) between Corsica Road and Timbergate Drive.			
Zoning Request	From: "CN-1" Neighborhood Commercial District and "CG-2" General Commercial District To: "CG-2" General Commercial District Area: 4.89 acres Purpose of Request: To allow a mini-storage facility.			
Existing Zoning and Land Uses		Existing Zoning District	Existing Land Use	Future Land Use
	<i>Site</i>	"CN-1" Neighborhood Commercial and "CG-2" General Commercial	Vacant	Commercial
	<i>North</i>	"RM-1" Multifamily 1 and "CN-1" Neighborhood Commercial	Vacant and Medium Density Residential	Medium Density Residential and Commercial
	<i>South</i>	"RS-6" Single-Family 6 and "CN-1" Neighborhood Commercial	Vacant and Low Density Residential	Low Density Residential and Commercial

	<i>West</i>	"CN-1" Neighborhood Commercial and "CG-2" General Commercial	Vacant	Commercial
ADP, Map & Violations	Area Development Plan: The subject property is located within the boundaries of the Southside Area Development Plan and is planned for commercial uses. The proposed rezoning to the "CG-2" General Commercial District is consistent with the adopted Future Land Use Map but is not consistent with the policies in the Southside Area Development Plan. Map No.: 0440032 Zoning Violations: None			

Transportation	Transportation and Circulation: The subject property has approximately 60 feet of street frontage along Corsica Road, which is a Residential Collector street. It should be noted that the owner of the subject tract also owns abutting property that fronts onto South Staples Street with a street frontage of approximately 400 feet. Under this proposal the applicant intends all vehicular access to use Corsica Road.

Staff Summary:

Requested Zoning: The applicant is requesting a rezoning from the "CN-1" Neighborhood Commercial and "CG-2" General Commercial Districts to the "CG-2" General Commercial District to allow the construction of a mini-storage facility. The majority of the property is zoned "CN-1" Neighborhood Commercial District. A mini-storage facility is not considered a neighborhood commercial use.

Development Plan: The proposed rezoning is within a high growth area abutting or near the Barclay Grove and Boardwalk Subdivisions. The applicant is proposing a mini-storage facility on a 4.99-acre tract of land. The proposed mini-storage will consist of one storage building containing 6,300 square feet and seven storage buildings containing 10,500 square feet each. The facility would also include an office building with approximately 1,350 square feet. At a minimum, the Unified Development Code would require a 20-foot wide front yard on Corsica Road. A buffer yard of 15 feet with 15 points would be required along the property lines abutting the "RS-6" Single-Family 6 District and the "RS-4.5" Single-Family 4.5 Districts. The applicant proposes that no storage unit doors would face the single-family development to the east, but the same protection is not shown for the single-family development to the south. The "CG-2" District does not require this kind of mitigation. This kind of stipulation could only be required through a Special Permit or Planned Unit Development Overlay.

Existing Land Uses & Zoning: The subject property is vacant and zoned "CN-1" Neighborhood Commercial and "CG-2" General Commercial. The subject property was part of a larger rezoning in July 2014, which included the applicant's property to the west abutting South Staples Street. In 2014, it was agreed that only the property fronting South Staples Street should be zoned "CG-2" and the remainder would be "CN-1" to protect the neighborhoods. North of the subject property, is vacant land zoned "CN-1" Neighborhood Commercial District and an apartment complex zoned "RM-1"

Multifamily 1 District. South of the subject property is a residential subdivision with two single-family homes under construction and zoned the "RS-6" Single-Family 6 District and vacant land zoned "CN-1" Neighborhood Commercial District. East of the subject property is single-family subdivision zoned "RS-4.5" Single-family 4.5 District which was developed by the applicant. West of the subject property is vacant land zoned with the "CN-1" Neighborhood Commercial District on Corsica Road and the "CG-2" General Commercial District on South Staples Street.

AICUZ: The subject property is not located in one of the Navy's Air Installation Compatibility Use Zones (AICUZ).

Comprehensive Plan & Area Development Plan Consistency: The subject property is located within the boundaries of the Southside Area Development Plan (ADP). The proposed rezoning to the "CG-2" General Commercial District is consistent with the adopted Future Land Use Plan's designation of the property as commercial but is not consistent with the Southside Area Development Plan or the Corpus Christi Policy Statements concerning land use compatibility and protection of neighborhoods. Additionally, the following are pertinent elements of the Comprehensive Plan that should be considered:

- Commercial uses adjacent to existing or proposed residential areas should be buffered or use sensitive in design. (Comprehensive Plan, Residential Policy Statement c.)
- Incompatible industrial and commercial land uses should not abut residential areas. (Comprehensive Plan, Residential Policy Statement i.)
- Expansion of commercial uses into or within residential areas may be permitted only if such expansion maintains or improves the residential desirability of the impacted neighborhood (Comprehensive Plan, Commercial Policy Statement d).
- New high-intensity commercial developments without adequate transition or buffering should be discouraged from locating directly adjacent to low-intensity residential areas. (Southside Area Development Plan, Policy Statement B.7)

Plat Status: The subject property is not platted and will need to be platted before a building permit is issued.

Department Comments:

- The proposed rezoning deviates from the Comprehensive Plan:
 - While the Comprehensive Plan does designate the property for commercial use, the mini-storage use directly abutting a low density residential area is incompatible.
 - Buffering could help to mitigate the incompatible abutment of the facility against the residential area, but the access drive to Corsica Road will be a direct abutting access drive without much potential for buffering.
 - Another possible method to mitigate incompatibility would be to require that no mini-storage units face a residentially zoned property; any outside storage of boats, recreational vehicles or another vehicle should be screened from abutting

residentially zoned property behind a storage building; and No operation of boat engines on-site.

- Other vacant land with “CG-2” zoning exists in the immediate vicinity.
- In 2014, the property was rezoned and the owner agreed that only the property fronting South Staples Street should be zoned “CG-2” and the remainder would be “CN-1” to protect the neighborhoods.
- A “CG-2” District would allow uses that are not compatible with the surrounding residential subdivision and, as proposed, could potentially increase traffic through residential areas on Corsica Road.
- The property owner of the mini-storage unit site owns the adjacent undeveloped, unplatted property fronting South Staples Street. The access drive incompatibility as proposed next to the developing residential subdivision could be solved by providing an access route to South Staples.
- The proposed layout with access to Corsica Road would create a “panhandle” lot, which the UDC discourages unless the panhandle lot serves a public purpose.
 - The access drive to South Staples would also create a “panhandle” lot. Two public purposes could be accomplished through a panhandle lot to South Staples: 1. The access to South Staples would not directly abut a residential subdivision; and 2. The City could require on the plat a note that the owner of the panhandle lot shall allow abutting property owners driveway access via the panhandle portion of the lot at South Staples Street; which maybe the case as Staples is a TxDOT right-of-way and TxDOT is stricter about requiring shared driveways.
- Staff’s opinion is that a mini-storage facility does not increase the residential desirability of this neighborhood, which is one of the findings required of the Comprehensive Plan when deciding which commercial uses to allow within residential areas.

Staff Recommendation:

Denial of the change of zoning from the “CN-1” Neighborhood Commercial District and the “CG-2” General Commercial District to the “CG-2” General Commercial District.

Possible Special Permit Conditions for Consideration:

1. **Use:** The only use allowed on the Property other than uses permitted in the base zoning districts is a mini-storage facility and related accessory uses.
2. **Setbacks:** The storage of boats and campers, a permitted accessory use to mini-storage, and the location of dumpsters shall be limited to the west half of the Property.
3. **Access:** Access shall be limited to the west portion of the property fronting Corsica Road.

4. **Building Design:** Any buildings constructed within 260 feet of Corsica Road shall have a non-metal façade. Mini-storage buildings shall be prohibited from having doors/openings facing residential uses.
5. **Screening Fence:** A minimum six-foot tall solid wood screening fence is required to be constructed, remain in place, and maintained between the mini-storage facility and the residential uses.
6. **Buffer Yard:** A 15-foot wide buffer yard and 15 buffer yard points shall be required along the property boundaries adjacent to residential zoning districts. Trees and shrubs shall be planted, remain in place, and be maintained between the mini-storage facility and the residential uses. A continuous line of shrubs shall border the fence. A canopy or understory tree other than palm trees shall be planted every 50 feet on center within the buffer yard.
7. **Lighting:** All lighting shall be shielded to direct light downward and pole lights shall be of the full cut-off type. Freestanding pole lights are prohibited within 50 feet of the property line of a residential use. No light source shall exceed the roof height of the buildings on site or 15 feet, whichever is more restrictive.
8. **Building Height:** Buildings, excluding the office, shall not exceed 15 feet where adjacent to a single-family residential use. Otherwise, the maximum building height shall be 35 feet. Boat and camper storage is limited to the west half of the Property and shall not be considered "adjacent" to single-family residential uses.
9. **Hours of Operation:** The hours of operation for the public shall be limited from 7 AM to 10 PM Sunday through Thursday and from 7 AM to 11 PM on Friday and Saturday.
10. **Signage:** Freestanding signage shall be limited to the west portion of the property fronting on Corsica Road. Wall signs shall not be oriented toward the east.
11. **Time Limit:** In accordance with the UDC, this Special Permit shall be deemed to have expired within 12 months of this ordinance unless a complete building permit application has been submitted, and the Special Permit shall expire if the allowed use is discontinued for more than six consecutive months.
