Re: Proposal for Professional Services Contract
Property & Land Acquisition Division

Dear Mr. Edmonds:

Please accept my proposal for a Professional Services Contract with the City of Corpus Christi. My company offers a wide range of support services focused in the right-of-way acquisition field. As indicated on the attached Scope of Work, there are various areas that I can provide professional services for the Department of Engineering Services as well as several of the other City departments as needed. My credentials include 28 years of experience in right-of-way acquisition, staff management, Texas Real Estate Appraiser's license, and notary public license.

I propose an initial, non-exclusive contract with the City for the total amount of \$77,350.00. This amount is based on a term of twenty-six (26) weeks (six months) with a 35 hour work week at the base fee of \$85.00 per hour. I am available to commence these services for the initial period of six months with an option for renewal for two additional six month periods. Standard travel and per diem expenses will be billed at approved rates in the event there is work requiring travel outside the City's ETJ limits. Attached is my current Certificate of Commercial Liability and Auto Liability Insurance policy in the amounts required by the City.

I would appreciate the opportunity to provide professional services for the City of Corpus Christi. Please contact me at (361) 813-6572 if you have questions regarding this proposal or if you need any additional information.

Sincerely,

Eusebio (Sonny) Garza, III
