RE: FEMA-4223-DR-TX, Project #008
Nueces County Mitigation Plan Project

Dear Chief Kidd:

We are pleased to announce the approval of funds for the Nueces County Mitigation Plan Project. Federal funding for this project, in the amount of **\$83,250**, is available through the Hazard Mitigation Grant Program (HMGP) under FEMA-4223-DR-TX.

The actions identified in the project application have been categorically excluded (CATEX) from the need to prepare an Environmental Assessment or an Environmental Impact Statement in accordance with 44 CFR 10.8(d)(2).

The following financial reports are enclosed for your files:

Obligations Report
Funding Estimate Financial Activity Report

These reports should be utilized in the review of funds for the approved project. The Obligation Report contains information pertaining to the total funded amount and project amount. Once drawn down by the recipient, the funds must be distributed in this manner.

As you are aware, quarterly progress reports for the HMGP are required in accordance with 44 CFR 206.438(c). Please include this project in future reporting. As stated in the application, completion and closeout of the project is expected within 36 months of project approval and funding. If, due to extenuating circumstances, the project cannot be completed within this period, the sub recipient, through the recipient, must request an extension to the period of performance.

The application period for FEMA-4223-DR-TX ended on May 29, 2016. The application period is important because scope of work changes cannot be made after the application period expires without prior written approval from FEMA. No new activities or activities that have not been
