Accepting and appropriating the Victims of Crime Act (VOCA) Outreach Program grant to continue the program in the Police Department

CAPTION:

Ordinance authorizing the City Manager or designee to execute all documents necessary to accept a grant from the State of Texas, Criminal Justice Division in the amount of \$179,149.24 to continue the Victims of Crime Act (VOCA) Outreach Program within the Police Department with a City match of \$21,340 and an in-kind match of \$40,480 from the No. 1020 Police General Fund; appropriating the \$179,149.24 in the No. 1061 Police Grants Fund for the VOCA Outreach grant in the Police Department; and authorizing the transfer of \$21,340 from the No. 1020 General Fund to the No. 1061 Police Grants Fund and appropriating the same for a total project cost of \$240,969.24.

PURPOSE:

Funding is available from the State of Texas, Criminal Justice Division, which provides funds to projects with the primary mission of providing direct services to victims of crime.

BACKGROUND AND FINDINGS:

The Victim Assistance Program Community Outreach grant is designed to assist victims in stabilizing their lives after victimization. In high crime rate districts, many victims are resistant to cooperation with law enforcement and the criminal justice system due to the emotional and physical impact of the crime.

The grant provides funding for a Victim Case Manager to provide community outreach to identify resistant or reluctant victims of crime and assist victims in understanding and participating in the criminal justice system. Through public presentations, multi-disciplinary meetings and legal advocacy, the case manager will provide crisis intervention and follow up services in order to establish rapport and build resiliency of victims in districts at high risk for violence. A Staff Assistant will keep accurate and timely records, including information properly entered into database systems.

The State provides for the salary/benefits of one Victim Case Manager, one Staff Assistant, equipment, supplies, training, and mileage, volunteer hours contribute in-kind contribution, and the City contributes for training, travel, supplies and miscellaneous equipment as the required

match. The funding is not on a declining percentage or ending funding cycle. This grant period is for 10/01/2016 to 6/30/2018.
