SUBJECT: ESTIMATED TESTING BUDGET FOR THE PROPOSED
E15140 Citywide Street Preventative Maintenance Program (SPMP), Year 3, IDIQ - Amendment 1
Corpus Christi, TX
RET L Proposal Number: P021016C1

Dear Jeffrey Edmonds, P.E.

Rock Engineering and Testing Laboratory, Inc. (RET L) (TBPE Firm No. 2101) is pleased to be selected to perform the Construction Materials Testing for the above referenced project. The Construction Materials Testing for the proposed construction project is based upon quantities as derived from the Plans made available to RET L as of the date of this proposal.

The estimated testing for this project is **\$98,035.00**

We understand that we have been chosen to provide these services for this publicly funded project. Therefore, by providing cost information we are not in violation of the Texas Professional Services Procurement Act.

The estimated construction materials testing budget is based on a review of the information provided to RET L. An estimated breakdown of field and laboratory testing required is included as an attachment.

Please make note that the actual fees invoiced for this project will be based on the actual testing performed. The total fee assessed will be dependent on the contractor's construction techniques, number of trips made to the jobsite, elapsed time from technician arrival to commencement of testing activities, and any time the technician is required to be on-site but not performing testing activities.

Please be advised that weekend technician time will be invoiced portal to portal at an additional rate of

\$31.00

RET L appreciates your consideration of our firm to assist you during the construction phase of your project. If you agree with this proposal, please sign the attached Laboratory Testing Services Agreement, submit the Distribution List and provide billing information. Please do not hesitate to contact me at (361) 883-4555 extension 415 if you have any questions regarding the proposal or would like to discuss further.

Sincerely,

Pablo Schmitt
