

Solid Waste Operations

Changes Made to Chapter 21 Amendments of the Code of Ordinances - Prior to 2nd Reading

Council Presentation
September 20, 2016

Changes Resulting From the September 13, 2016 Reading

Note that all changes made from the first reading are double-underlined, or double-line stricken.

- **Sec. 21-12(a)** removes the word “published”.
 - **Sec. 21-12a(1)** eliminates language that the set out schedule is published weekly in a paper of general circulation. The City’s call center replaces the Solid Waste Operations department as a point of contact.
-

Changes Resulting From the September 13, 2016 Reading

- **Sec. 21-12a(3)** adds new language to provide relief from late set out violations during periods when there are delays in the department's collection schedule.
 - **Sec. 21-22e(1)** adds new language to clarify the areas that carts may not be stored after midnight on designated collection days.
 - **Sec. 21-40** adds the term “assessments” to the title of the section to clarify that the items may be assessed based upon individual incidents or on a recurring/monthly basis.
