All as shown on drawing marked Exhibit "B", attached hereto and made a part hereof.

THIS EASEMENT is granted subject to the following terms and conditions:

- 1. All work in connection with the construction, installation, operation, repair, and replacement of the drainage ditch shall be done without cost or expense to the Government, and in accordance with plans previously approved by the Commanding Officer of the Southern Division, Naval Facilities Engineering Command.
- 2. Prior to each entry upon the Station by the Grantee, its officers, employees, agents, others acting in behalf of the Grantee, or equipment belonging thereto, for the purpose of performing any of the work covered by this Grant of Easement, the permission of the Commanding Officer, Naval Air Station, Corpus Christi, Texas shall be obtained and arrangements made for the coordination of such work with other scheduled activities at the Station.
- 3. The Grantee is required to coordinate all construction and any digging requirements in the area of Easement NF(R)-25713 granted to Southwestern Bell Telephone Company.
- 4. The Grantee shall maintain the Premises and the drainage ditch in good condition at all times and shall promptly make all repairs thereto that may be necessary for the preservation of the condition of the Premises and the continued operation and maintenance of the drainage ditch.
- 5. The Grantee's rights hereunder shall be subject to such reasonable rules and regulations as may be prescribed by the Government to assure that the exercise of such rights will not interfere with Government activities at the Station.

- 6. Upon termination of this easement, the Grantee, at its expense shall remove, to the extent requested by the Government, improvements installed or constructed hereunder, and shall restore the Premises to the same or as good a condition as that which existed prior to the exercise by the Grantee of its rights hereunder. Such restoration shall be done in a manner satisfactory to the Commanding Officer of the Southern Division, Naval Facilities Engineering Command.
- 7. If at any future time, the Government determines that the drainage ditch or any portion thereof, unduly interferes with any of its activities, it shall have the right to terminate this easement, in whole or in part, to the extent necessary to elimiate such interference; PROVIDED THAT, unless the Government shall have determined that relocation is not feasible, it shall convey to the Grantee, without charge, a substitute easement permitting the Grantee to relocate Government property, at the Grantee's cost and expense. The substitute easement shall contain the same terms and conditions as those of this easement, and shall bear the same expiration date, if any.
- 8. All or any part of this easement may be terminated upon failure by the Grantee to comply with any of its terms and conditions; upon abandonment of the rights granted herein; or upon nonuse of such rights for a period of two consecutive years.
- 9. The Government may use the Premises of this easement for any purpose that does not unreasonably interfere with the use and enjoyment by the Grantee of the rights granted by this easement.
- 10. Any construction within the clear zone of runway 31 must adhere to the guidelines in NAVFAC P-80.3. No open ditches will be allowed within the clear zone area of this easement.

IN WITNESS WHEREOF, the Government, acting through the Department of the Navy, has caused this instrument to be executed the day and year written first above.
