**BACKGROUND** : In 2007, the City of Corpus Christi and REDFLEX entered into a contract to utilize red light cameras to enforce red light violations at designated intersections. The goal of the program was to reduce right angle accidents (side impact) inside the borders of the identified intersections. The contract can be terminated with (30) days' notice prior to expiration of the current term. The current term ends on April 26th, 2017.
