

# On-Call Technical Services Related to Water Supply Planning

Council Presentation  
February 21, 2017

# Project Scope

This contract amendment is to provide continued technical support for the City's water supply management and planning. The on-call activities primarily include:

- Performing additional evaluations based on City directives
- Developing summary results
- Coordinating analysis and data exchange with regional stakeholders
- Evaluating regulatory policy and rules interpretation
- Collaborating and meeting with City Staff
- Refinancing support of City's water supply project
- Preparing and presenting up to three water supply planning presentations to City Council

# Project Schedule

2017					
Mar	Apr	May	Jun	Jul	Aug
Services					

**Project Estimate: 180 Calendar Days = 6 Months**

Projected Schedule reflects City Council award in February 2017  
with anticipated completion in August 2017.
