**HOT MIX ASPHALT  
CONCRETE (HMAC)**

# Project Scope

---

The extension of Ennis Joslin Road from Holly to Williams includes:

- New Hot-Mix Asphalt Concrete (HMAC) 5-lane roadway (4 travel lanes and a continuous center turn lane) with concrete bus stops
- New curb & gutter, sidewalks and ADA ramps with adjacent cycle tracks
- Underground utility improvements include wastewater, water and gas (Gas improvements will be by City crews)
- Storm Water improvements include both underground and 1,585 LF open channel

\* This project will allow immediate development of adjacent properties and improve access to existing neighborhoods and Veteran High School.
