Who we are.

The Corpus Christi Downtown Management District (DMD), established in 1993, is a professional Downtown management district representing property owners and stakeholders within the area bounded by Kinney Street to I-37, and Lower Broadway to the Corpus Christi Marina Land T-heads. In 2013, the property owners voted to renew the district through 2023. In 2015, DMD led stakeholders through a branding process naming this destination as the Marina Arts District while retaining the DMD to refer to the organization and the programs and services we provide.

What we do.

Our mission is to create a successful, vibrant bayfront/seaside District, rebranded as the Marina Arts District and positively impact the Greater Downtown area by proactively and strategically working with our partners to:

- Provide enhanced cleaning, beautification and safety services.
- Develop and Improve the District.
- Market and Promote the District.
- Address critical issues that affect the success of the District and Greater Downtown Area on behalf of our stakeholders and the regional community.

What we value.

Our Staff and Board believe we must value attributes and guiding principles that will make us successful. We call them "The Five B's of Success":

- 1 Be results driven and accountable:**
Do more, do it better, do it now!
- 2 Be passionate:** Work hard, play hard; celebrate the victories large and small!
- 3 Be strategic, proactive, and creative:**
Think outside the box, make a positive difference every day!
- 4 Be a winner, possess a can-do, winning attitude:**
Our first answer is, yes we can!
- 5 Be servant leaders:**
Be of value and relevant, collaborate, partner, problem solve!

- Attracting a wave of new Downtown investments and businesses.
- Improved consumer perceptions of Downtown.
