Ordinance authorizing the issuance of "City of Corpus Christi, Texas Combination Tax and Limited Pledge Revenue Certificates of Obligation, Taxable Series 2017" in an amount not to exceed \$2,500,000 for the purpose of financing costs associated with making permanent public improvements to the City's Solid Waste System; providing for the payment of said Certificates by the levy of an ad valorem tax upon all taxable property within the City and further securing said Certificates by a lien on and pledge of the pledged revenues of the Solid Waste System; providing the terms and conditions of said Certificates and resolving other matters incident and relating to the issuance, payment, security, sale, and delivery of said Certificates, including the approval and distribution of an Official Statement; authorizing the execution of a paying agent/registrar

agreement and a purchase contract; complying with the requirements of the letter of representations on file with the depository trust company; delegating the authority to certain members of the City staff to execute certain documents relating to the sale of the Certificates; enacting other provisions incident and related to the subject and purpose of this ordinance; and providing an effective date.

Mayor Pro Tem Rubio referred to Item 21. Director of Financial Services Constance Sanchez stated that the purpose of this item is to authorize the issuance of up to \$2,500,000 of certificates of obligation for Solid Waste to fund a Gas Collection and Control System and the procurement of a flare. Clay Binford, Bond Counsel, and Mark Seale, Financial Advisor, were available to answer questions.

Mayor Pro Tem Rubio called for comments from the public. Chris Phelan, 3806 Kingston Avenue, asked questions regarding the requirement to purchase the gas flare and have it operational by November 11, 2017 and borrowing funds for the project. Director of Solid Waste Operations Lawrence Mikolajczyk explained that the City is required to meet the deadline of November 2017 because of new Environmental Protection Agency (EPA) regulations.

Council members and staff spoke regarding the following topics: the Solid Waste Department's annual contribution to the General Fund; the mechanism for borrowing funds; use of actual service revenue to pay for the debt service; paying for the project out of reserves; the number of times the City can pledge revenue; the interest rate; whether EPA regulations will be changed; and the City's policy regarding reserve funds.

Council Member Vaughn made a motion to approve the ordinance, seconded by Council Member Molina. This Ordinance was passed on first reading and approved with the following vote:

Aye: 8 - Council Member Garza, Council Member Guajardo, Council Member Hunter, Council Member McComb, Council Member Molina, Council Member Rubio, Council Member Smith and Council Member Vaughn

First Reading Ordinance - Authorizing the Issuance of Refunding Bonds with the Texas Water Development Board (TWDB)

Ordinance authorizing the issuance of "City of Corpus Christi, Texas Utility System Junior Lien Revenue Refunding Bonds, Series 2017" in an amount not to exceed \$51,300,000; making provisions for the payment and security thereof by a junior and inferior lien on and pledge of the net revenues of the City's Utility System on a parity with certain currently outstanding Utility System revenue obligations; stipulating the terms and conditions for the issuance of additional revenue bonds on a parity therewith; prescribing the form, terms, conditions, and resolving other matters incident and related to the issuance, sale, and delivery of the bonds; including the approval of an application to the Texas Water Development Board; authorizing the execution of a paying agent/registrar agreement, and an escrow

agreement; complying with the requirements imposed by the letter of representations previously executed with the depository trust company; complying with the regulations promulgated by the Texas Water Development Board; delegating the authority of certain members of the City staff to execute certain documents relating to the sale of the bonds; and providing an effective date.

Mayor Pro Tem Rubio referred to **Item 22. Director of Financial Services Constance Sanchez** stated that the purpose of this item is to authorize the issuance of utility system revenue bonds from the Texas Water Development Board (TWDB) in an amount not to exceed \$51,300,000. On December 20, 2016, the City Council authorized staff to submit an application to TWDB for financial assistance in an amount not to exceed \$51.3 million to refund the City obligations previously issued to pay for the costs of Mary Rhodes Pipeline Phase II. TWDB discussed the City's application on February 23, 2017 and unanimously accepted the City's application for financial assistance through the Drinking Water State Revolving Fund.

Mayor Pro Tem Lucy Rubio called for comments from the public. **Chris Phelan**, 3806 Kingston Avenue, spoke regarding the issuance of funds in 2014 for the construction of Mary Rhodes Pipeline Phase II; the City's initial plan to lease water to industrial customers; and making decisions that are in the best interest of the taxpayers.

Council Member Garza made a motion to approve the ordinance, seconded by **Council Member Hunter**. This Ordinance was passed on first reading and approved with the following vote:

Aye: 7 - Council Member Garza, Council Member Guajardo, Council Member Hunter, Council Member McComb, Council Member Molina, Council Member Rubio and Council Member Smith

Absent: 1 - Council Member Vaughn

First Reading Ordinance - Authorizing the Issuance of Refunding Bonds related to Choke Canyon Dam

Ordinance authorizing the issuance of "City of Corpus Christi, Texas Utility System Revenue Refunding Bonds", as further designated by series and lien priority of revenue pledge, in an amount not to exceed \$77,520,000; making provisions for the payment and security thereof by a lien on and pledge of the net revenues of the City's Utility System which may be on a parity with certain currently outstanding Utility System revenue obligations; stipulating the terms and conditions for the issuance of additional revenue bonds on a parity therewith; prescribing the form, terms, conditions, and resolving other matters incident and related to the issuance, sale and delivery of the bonds; including the approval and distribution of an official statement pertaining thereto; authorizing the execution of one or more paying agent/registrar agreements, escrow agreements, and a purchase contracts; complying with the requirements imposed by the letter of

representations previously executed with the depository trust company; delegating the authority to certain members of the City staff to execute certain documents relating to the sale of the bonds; and providing an effective date.

Mayor Pro Tem Rubio referred to Item 23. Director of Financial Services Constance Sanchez stated that the purpose of this item is to authorize the refunding of a note payable to the Bureau of Reclamation, which was used to pay for the construction of Choke Canyon in the 1970s for \$49,985,000. This note had an escalating debt service schedule with low payments in the first several years. In 1987, the City Council established an annuity to levelize the payments from the Water Fund to the Bureau for the Choke Canyon Debt. This debt is subordinate to all other utility debt and currently has no cash reserves or coverage requirements. The current interest rate is 5.116%. This agenda item will convert the existing note to a junior lien utility system revenue bond with an interest rate of approximately 2.7% and product a net present value savings of approximately \$9.1 million over the life of the debt. This agenda item also authorizes the refund of any callable utility system revenue bonds up to \$27,535,000. This refund is anticipated to produce a net present value savings of \$1.9 million or 7.0%. Clay Binford, Bond Counsel, and Mark Seale, Financial Advisor, were available to respond to questions. There were no comments from the public.

Council members and staff discussed the following topics: the original note with the Bureau of Reclamation for Choke Canyon; the schedule of debt; the amount currently outstanding; the reserve fund amount; the balance for Choke Canyon; the expected interest rate; discussion with the Bureau of Reclamation regarding the loan being forgiven; future analysis of the need for Choke Canyon; the contract for Choke Canyon; reprecussion for defaulting on the agreement for Choke Canyon; the expected rating for the bond; expected use of the reserve fund; the reasons this action was not taken earlier; the process for refunding; converting the existing to a junior lien; and questions regarding the ability to allow customers to use a specific quantity of water at no cost.

Council Member Smith made a motion to approve the ordinance, seconded by Council Member Garza. This Ordinance was passed on first reading and approved with the following vote:

Aye: 8 - Council Member Garza, Council Member Guajardo, Council Member Hunter, Council Member McComb, Council Member Molina, Council Member Rubio, Council Member Smith and Council Member Vaughn
