John Garcia

John Garcia has been active in the hospitality industry for 19 years. Born and raised in Corpus Christi, Garcia's first opportunity arose when he started at the Ramada Inn Bayfront & Conference Center in 1997. His experience adds supplemental familiarity with conventions sales, hospitality, and strong community involvement. During his first 6 years at the Ramada Inn, he became a member of numerous organizations: Corpus Christi Chamber of Commerce (Ambassador), Corpus Christi Hispanic Chamber (Embajador), Hospitality Sales Marketing Association (Vice President, 2004) (HSMA Member of the Year 2004), and Harbor Lights Festival (Committee member). Dress for Success Volunteer, Transportation Advisory Committee Board member, NAACP Banquet Committee member, Corpus Christi Greater Hospitality Association member, Girl Scouts of South Texas, Westside Business Association member and the Corpus Christi Transportation Advisory Board.

John also accomplished a graduate, certification course from the prestigious Dale Carnegie. Garcia's experience as Sales Manager gave him an opportunity to advance in the hotel industry. In June 2003, he became Director of Sales & Marketing at the Ramada Limited Airport Hotel on McBride Lane and Interstate 37. In April 2005 an opportunity arose at the Corpus Christi Convention Visitor Bureau as Destination Sales Manager for the sports & Mexico market for the city. Is currently Director of Sales for a couple hotels in the greater Corpus Christi area. John holds a great appreciation for the power of community, and his continued involvement and support is evident in his work performance.

Work Experience

October 2012-Present: Sikorsky Aircraft Operations Manager: Responsible for the coordination of the Materials, Technical support and Engineering teams for Sikorsky Aircraft's Technical, Engineering, Logistics Support and Services (TELSS) contract with Army Material Command for the Corpus Christi Army Depot(CCAD). Assists the CCAD Program Manager in managing all business activities associated with the Technical, Engineering, and Logistic goals in accordance with established metrics for the H-60 components and airframes contracted for the partnership. I assist in the management of process improvement, production material and material support services, information technology, and warehousing activities for the program. I work closely with the Program Manager and the Material Planning and Control Manager on all aspects of the TELSS contract, from contract award to the end of the contract period of performance, encompassing the coordination and/or support of the Program Operating Plan, Program Implementation Plan, and Program Execution Plan.

Other responsibilities include:

- Management of the day-to-day operations for the Sikorsky on-site teams.
- Coordination and monitoring the work of the departments involved in production, warehousing, and distribution.
- Participate in all CCAD Operations / Production meetings.
- Actively manage all (Sikorsky on site) Facility, Manpower, Production Systems, Production Scheduling, and Production Performance initiatives as they pertain to the execution of this contract and its schedules.
- Actively manage daily Sikorsky production operations meeting to identify material shortages and aircraft status
- Contribute to short and long-term organizational planning and strategy as a member of the program management team
- Manage and increase the effectiveness and efficiency of support services through improvements to each function as well as coordination between support and business functions

February 2010-October 2012: Derco Aerospace Inc. Director of Logistics Programs: Represents and advocates for the organization, bringing an understanding to and developing, articulating and facilitating an agenda for the promotion and marketing of the corporation. Responsible for the management and execution of multiple logistics programs. Acts as liaison between cross-contract entities, customer and corporate interests. Led Derco Logistics team to AS 9120 Certification, VPP Star Certification and ACE Bronze compliance. Oversaw the material forecasting and supply chain management for T34/44 aircraft and UH-60 Blackhawk components. Ensured supplier compliance to the United Technologies Corporation Quality Standard. I was responsible for a 25% increase in revenue for the CCAD program.

November 2003-February 2010. Derco Aerospace Inc. Project Manager: Through various projects and roles, coordinated the efforts of the warehouse team to ensure timely and efficient receipt, storage, picking and delivery of Blackhawk Helicopter parts in support of the recapitalization of Sikorsky's Blackhawk Helicopter and components at the Corpus Christi Army Depot. Responsible for the forecasting, purchasing and overall supply chain management of the materials required for the overhaul of 23 unique Blackhawk Components managed by Derco Aerospace. Critical shortages were reduced from 30% to less than 0.1%.

May 1983-October 2003. United States Navy. Aviation Repairables Manager: Directly responsible for maintaining 100% inventory accuracy and stock levels at various duty stations in the Continental United States, Overseas and shipboard locations.

Skills:

- Continuous Improvement: Qualified Associate of United Technologies Corporation ACE operating system.
- Leadership: Lead several diverse teams and departments with successful results.
- Project Manager: Project Manager for the successful implementation of SAP in the warehouse
- Software Integration Team: Key player in the implementation of ERP upgrades
- Database Administrator: Maintained data integrity of specialized Naval shipboard supply systems database. Performed weekly backups and reviewed output products for accuracy.
