The proposed rezoning is consistent with the following policies of the Comprehensive Plan:

- Promote a balanced mix of land uses to accommodate continuous growth and promote the proper location of land uses based on compatibility, locational needs, and characteristics of each use. (Plan CC, Goal 1, Page 50).
- Corpus Christi is able to attract and retain firms because of its competitive assets and supportive business environment. (Plan CC, Goal 2, Page 36).
- Nodal commercial development is encouraged whereby commercial uses are concentrated at major intersections of arterials as indicated on the Future Land Use Plan (Northwest ADP, Policy Statement B.1d).

**Department Comments:**

- The proposed rezoning is compatible with PlanCC and the Northwest Area Development Plan. The proposed rezoning is harmonious with the commercial growth at the intersection of Hazel Bazemore Parkway and Northwest Boulevard

(Farm Road 624). The potential rezoning would not have a negative impact upon the surrounding properties and could serve the nearby residences.
