**RE: Carroll Lane From McArdele to Houston (Bond 2014),
Project No. E13097
Letter of Recommendation of Award of Contract**

Dear Mr. Hale,

Bids for the subject project were publicly opened on May 10, 2017. A total of five (5) bids were received for the project. The apparent low bidder on the project is **Haas-Anderson Construction, Ltd.** with a total base bid of **\$5,976,737.55**. One Additive/Alternate was included in the bid, and Haas-Anderson remains the low bidder with a total project bid (base bid plus the additive/alternate of \$215,360.00) of \$6,192,097.55.

Our office has reviewed Haas-Anderson's Statement of Experience (SOE) submitted subsequent to the bid date (see attachment). Haas-Anderson has key personnel listed for the project (Project Manager, Superintendents, etc.) that appear to satisfy all the minimum experience requirements listed in the contract documents. Based on interviews from the references, Haas-Anderson received satisfactory reviews from its performance on similarly sized projects.

Therefore, MGM recommends award of this project to Haas-Anderson in the amounts bid for the Base Bid total of \$5,976,737.55 in combination with the Additive/Alternative (\$215,360.00), based on available funding.

Sincerely,

A handwritten signature in black ink, appearing to read "Ricardo Martinez", is written over the typed name.
