City Project E15122**

Dear Mr. Edmonds:

On March 22, 2017, bids were received and opened on the subject project. There were six (6) bidders as follows:

Max Underground Construction LLC	\$308,720.50
Mako Contracting	\$359,418.00
Ram-Bro Contracting, Inc.	\$400,605.50
JHBORES Construction Company, Inc.	\$448,223.10
A. Ortiz Construction and Paving, Inc.	\$472,157.51
J. Carroll Weaver	\$547,878.84
Engineer's Opinion of Cost	\$314,000.00

The six proposals from the bidders were checked for mathematical errors and none were found. Max Underground Construction LLC was the lowest bidder.

The bid tab and submitted experience are attached for your review. The statement of experience supplied by the low bidder appeared to be complete and in order.

Based upon all of the above, it is my recommendation that Max Underground Construction LLC be awarded the contract on the subject project.

If you have any questions regarding this request, please contact me at (361) 696-3512.

Respectfully,
Maverick Engineering, Inc.
