

Water Line Easement and Dedication to San Patricio Municipal Water District

Council Presentation
June 20, 2017

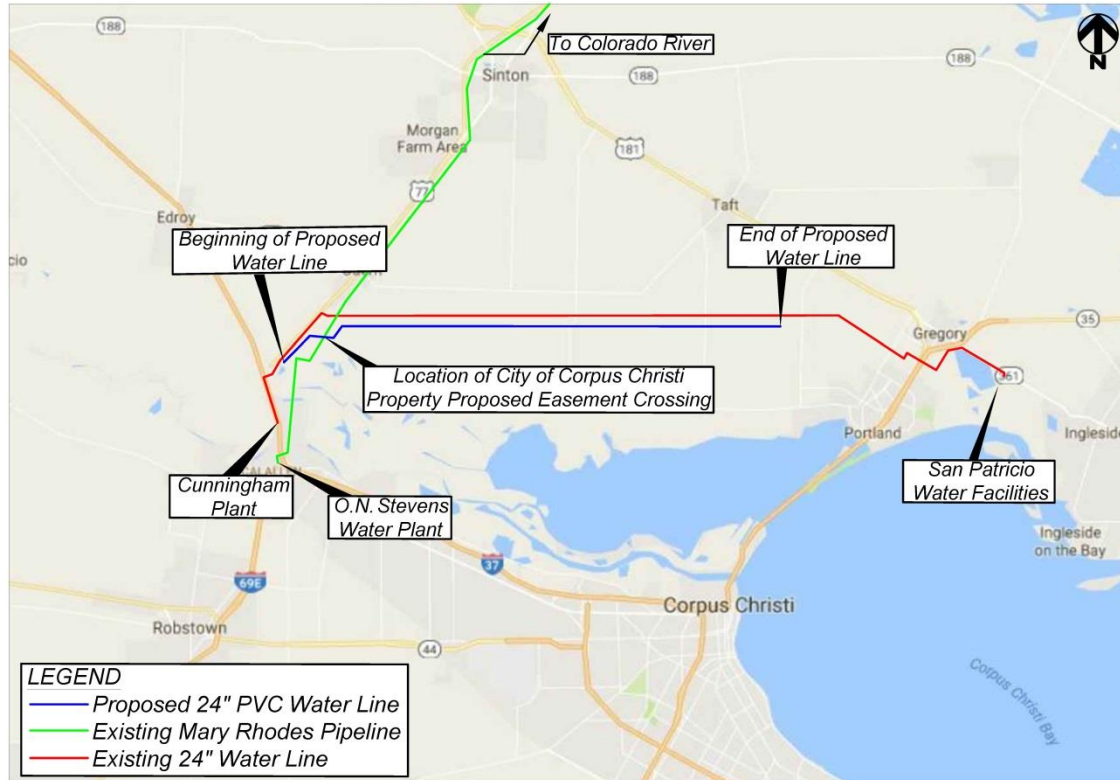

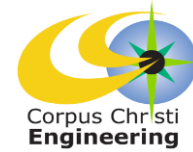

Project Location

Project Vicinity

Project Scope

- San Patricio Municipal Water District (SPMWD) is acquiring easement rights for a replacement pipeline to connect the existing pipeline 2.5 miles from the City of Corpus Christi's Cunningham Water Treatment Plant.
- Will allow the SPMWD to begin purchasing treated water from the City under an existing contract
- Dedicates a 25 foot wide Water Line Easement and 35 foot wide temporary work easement to the San Patricio Municipal Water District
- Pipeline will cross under the Mary Rhodes Pipeline
