

**Resolution directing the City Manager to fund repair of selected streets impacted by the Harbor Bridge Relocation Project using the financing option which provides the lowest cost to the City.**

**WHEREAS**, during the City Council Workshop on July 13, 2017, City staff identified four city streets, referenced below in need of repair, resurfacing and/or reconstruction as they will be impacted by the upcoming TXDOT Harbor Bridge Replacement Project: and

- Timon Boulevard from Coastal Avenue to Sandbar Avenue;
- Surfside Boulevard from Coastal Avenue to Reef Avenue;
- Lipan Street from Crosstown Expressway to Upper Broadway;
- Comanche Street from Crosstown Expressway to Staples Street.

**WHEREAS**, these street projects must be started in 2017 so that the construction does not adversely impact or delay TXDOT's Harbor Bridge Replacement Project, therefore they cannot be added to the 2018 Bond Program; and

**WHEREAS**, City Council instructed the City Manager at the July 13, 2017 workshop to search for any available funding in City accounts that might be used to pay for the four referenced street projects; and

**WHEREAS**, during the August 8, 2017 City Council meeting, city staff reported to City Council that they were unable to locate any available funding in existing City accounts to pay for the referenced street projects; and

**WHEREAS**, during the same meeting, City Council directed the City Manager to explore alternate debt financing options for the referenced street projects at the lowest cost to the City.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORPUS CHRISTI, TEXAS:**

**SECTION 1.** That the findings of the City Council and its actions approving this Resolution are hereby approved and adopted.

**SECTION 2.** That the City Manager is directed to fund repair of selected streets impacted by the Harbor Bridge Relocation Project using the financing option which provides the lowest cost to the City.
