Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No.

Education, Professional and/or Community Activity (Present)

I will be a senior at Ray High School in the IB program. I am a straight "A" student with a strong work ethic. I am on the Varsity Basketball Team and Varsity Tennis Team at Ray HS. Competitor in the Destination Imagination Program (problem solving and critical thinking program) for CCISD for 9 years and have won Regional, State, and Global Competitions. Organize and work with Red Ribbon Week speaker Louise Wasson and her service dog. Help organize and facilitate the Mission Fit Possible Run for CCISD children for 6 years. Last year 2,000 CCISD students participated and we gave \$20,000 to the CCISD P.E. programs for two years in both high schools and middle schools.

Why are you interested in serving on a City board, commission or committee?

I am interested in serving on the City's board, commission and committees because I feel it will allow me to connect better with my home town of Corpus Christi and its people. I enjoy creating and upholding relationships with new people in order to learn from other diverse experiences. Through this committee I hope to make a lasting difference and impact on my local community through my unique perspective being someone born and raised in Corpus Christi, an attendee of CCISD schools, and a family with deep roots in the Gulf Coast area. I feel I will be able to bring an understanding of various economic and social situations because of my experiences on and off the basketball and tennis courts and time spent with Destination Imagination. This understanding will allow me to connect better with and respond to the varied conditions of the people of Corpus Christi.
