<p>Resolution Adopting the Nueces County Multi-Jurisdictional Hazard Mitigation Action Plan</p>
--

CAPTION:

Resolution adopting the Nueces County Multi-Jurisdictional Hazard Mitigation Action Plan.

PURPOSE:

The purpose of this item is to adopt the Nueces County Multi-Jurisdictional Hazard Mitigation Action Plan.

RECOMMENDATION:

Staff recommends approval.

BACKGROUND AND FINDINGS:

The purpose of this Multi-Jurisdictional HMAP is to identify risks and vulnerabilities and to formulate a plan of action to reduce damage and loss of life from natural disasters. Participating communities in this plan are: Nueces County, City of Agua Dulce, City of Bishop, City of Corpus Christi, City of Driscoll, City of Petronila, City of Port Aransas, City of Robstown, and the Corpus Christi Port Authority. Local governments are required to develop a hazard mitigation plan as a condition for receiving hazard mitigation assistance grants. The benefits of a hazard mitigation action plan include reducing vulnerability to future hazards, saving lives and property, gaining disaster funding, maintaining economic stability and expediting the recovery period.

The plan outlines the hazards identified by the committee that consisted of staff from all participating jurisdictions and the public, analyzes the risk those hazards pose to each jurisdiction and lists strategies for mitigating the hazards.

The plan has received tentative approval through the Texas Division of Emergency Management and FEMA. To receive final approval and qualify for funding for projects listed in the plan, the jurisdiction(s) must adopt this plan.
