### Interests & Experiences

**Do you currently serve on any other City board, commission or committee at this time? If so, please list:**

None at this time

### Education, Professional and/or Community Activity (Present)

I am an attorney currently licensed in Iowa and Wisconsin, although I am in inactive status in Wisconsin. I am currently the President of one of the PEO chapters in Corpus Christi (a philanthropic educational organization supporting the education of women). I volunteer once a month at the Loaves and Fishes soup kitchen with other members of my church, and also provide periodic volunteer service at the local Ronald McDonald House (such as helping decorate and undecorate for the holidays, making special meals and donating money). I occasionally help package lunch sacks for the Salvation Army, also through my church, and belong to a number of small special interest groups through New Neighbors League of Corpus Christi.

## Why are you interested in serving on a City board, commission or committee?

---

As you can see from my resume, I have served both as a member of a local community school board for 12 years in the State of Iowa (the last six of which I served as president of the Board) and as one of nine members of the Board of Regents of the State of Iowa for a little over three years, until I resigned in order to move to Texas. In Iowa, the Board of Regents is responsible for the governance of the three state universities, as well as the now-combined school for the deaf and blind students K-12. In addition, I served the City of Carroll, IA on the Parks and Recreation Committee for several years, and as President of that committee during a portion of that time. So I well know how rewarding volunteer service for governmental agencies can be, and am familiar with the proverbial "hot seat" that such service may yield. I enjoy the challenge of service, knowing that you can not please all of the people all of the time, but you must still persevere in doing what you think is right and appropriate for the situation at hand. As I enjoy my visits to the couple Corpus Christi libraries with which I am familiar, am a life-long reader, and have a skill set which I could put to use on the Library Board, I am interested in serving my community in this manner.

### Why are you interested in serving on a City board, commission or committee?

Now that I am semi-retired, I have the time to pursue volunteer activities. I moved to Corpus Christi in 2006. Participating in a city committee helps my integration into this community as well as gives me a historical perspective, as many of the people that I meet are originally from CC. I am also curious as to how city government functions as a whole. This is my adopted city and I want to be a participant in helping it reach its goals.

I want to serve Corpus Christi. My husband and I chose to retire here because we love this City. It has given us so much, and I want to give back. I think that supporting our arts and libraries and increasing literacy, knowledge, readership, and library participation is the best way I can do that. Thank you for your time and consideration.

## **INTERESTS AND GOALS**

I believe that our cities and communities are like an extended family, and we can thrive when we support each other with resources, development, planning and nourishment and support for growth. Corpus Christi is growing up and is maturing into an even more shining gem by the sea with such vision, which is why we moved here permanently in 2015. We need to continue to increase our literacy rates though and move our libraries and creative institutions forward for workforce development, as well as to retain and attract new urban pioneers.

My dedication, background and education in labor, human rights, and applied and urban anthropology of the South enable me to participate fully on the Corpus Christi Public Library Board. I can do outreach, fundraising, conduct research and interviews, and work with other Board Members and the City Council. I am especially qualified and interested in issues of literacy, the arts, urban and community development and public policy with these credentials:

- Program Evaluator
- Applied Anthropologist
- ESL Instructor and Spanish Instructor
- Labor Representative
- Certified Facilitator and Trainer
- Certified Trainer of Trainers in Human Rights Education and former Member of Amnesty International Network of Human Rights Educators
