

MARINA ADVISORY COMMITTEE

BOARD DETAILS

OVERVIEW

SIZE 9 Seats

TERM LENGTH 2 Years

TERM LIMIT 6 Years

The Marina Advisory Committee advises and makes recommendations regarding development, use, or preservation of the marina, including the following: (1) assist the City Council in providing for the orderly, planned development and use of the marina; (2) review the annual and capital improvement budgets regarding the improvement and maintenance of the facilities upon the marina; and (3) review and recommend to the City Council the feasibility of development, improvements, maintenance or proposed uses for the marina.

DETAILS

COMPOSITION

Nine (9) members appointed by the City Council for two-year terms. The membership shall include one (1) Scientist, i.e. Marine Biologist, one (1) Engineer, and one (1) Environmentalist; one (1) shall be a Representative of a Restaurant located within the boundaries of the Corpus Christi Downtown Management District, and five (5) Community At-Large members. In the initial appointment, members will serve an initial two-year term, in the succeeding term, 5 members will serve a two-year term, and 4 members will serve a one-year term, as determined by drawing. Thereafter, all terms will be two-years.

CREATION / AUTHORITY

Section 2-260, Code of Ordinances; Ord. No. 027408, 9/11/07; Ord. No. 030604, 9/8/15.

MEETS

1st Monday of every month at 5:30 p.m., People Street T-Head, Boater's Facility.

TERM DETAILS

Two-year staggered terms.

DEPARTMENT

Municipal Marina

WARREN GLENN MADDEN

PERSONAL

I married Shannon Torno on December 15, 1990. Three children: Christine (20), Matthew (18), and Hannah (14). My family and I attend church regularly. I spend free time with the kids outdoors: we enjoy fishing, hunting, and camping. I have a budding art business, comprised primarily of graphite drawings, portraits, and photography. I am a sponsored kayak fisherman with a thriving YouTube channel use to educate others on how to safely navigate and fish the Gulf of Mexico from a kayak. My work and my hobbies reflect a love of nature and my attention to getting the details right.

EDUCATION

1988	Certificate in Surgical Technology
1991	Associates in Arts, Del Mar College
1996	Bachelor in Science, Texas A&M-Kingsville
2008	Associate in Arts and Sciences, Del Mar College

EMPLOYMENT

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I do not currently serve on a City board, commission or committee. I do serve as a member of the Board of Directors with my homeowners association, Tropic Isles HOA, in Flour Bluff.

Education, Professional and/or Community Activity (Present)

I have a Bachelor of Science degree in Geography from the University of California at Davis. I am the Director of Planning at the Corpus Christi Regional Transportation Authority (CCRTA). In addition, I am a Project Management Professional (PMP). During periods of implementing service improvements or conducting major planning studies, I have connected with the community throughout the City of Corpus Christi. Additionally, I interface with the CCRTA Board of Directors each month through presentations at meetings to advance transit initiatives and report performance statistics. I enjoy living in Corpus Christi and serving the community as a CCRTA professional. I've talked with residents and visitors at transit stations, bus stops, on buses, while walking in downtown or in the neighborhoods. I've confidently presented in front of several stakeholder groups at senior centers, schools, neighborhood associations including North Beach, Flour Bluff, and the Northside area, City of Corpus Christi Committee for Persons with Disabilities, Young Business Professionals, Downtown Merchants Association, Corpus Christi MPO Technical Advisory Committee, CCRTA Board of Directors, CCRTA Committee on Accessible Transportation, R/UDAT Steering Committee, Caller Times, Naval Air Station, Corpus Christi Army Depot, and other groups. I am a member of the Corpus Christi Metropolitan Planning Organization (MPO) Technical Advisory Committee, CCRTA-City of Corpus Christi Monthly Coordination Meetings, and the Regional/Urban Design Assistance Team Program (R/UDAT) Steering Committee which was formed in the Fall of 2014.

Why are you interested in serving on a City board, commission or committee?

Corpus Christi is a diverse city with multiple business, education, recreation, and tourism opportunities. It is a growing region that needs to strategically advance more development and revitalization efforts. My interests while serving on a committee are to increase family and youth activities, improve economic development, provide focused revitalization opportunities to attract more residents and visitors to our community, and foster public and private partnerships to increase our overall livelihood. By serving on a City of Corpus Christi Committee, I believe that I have the background and professional knowledge to make a positive impact for our community.

Gordon Robinson, PMP

SUMMARY: Experienced executive leader, technically skilled, certified project management professional (PMP), and effective communicator who is a hands-on, motivated, reliable, and experienced professional in the areas of strategic planning, transit service design and implementation including scheduling, blocking, rostering, customer service, bus and paratransit operations including bus stop management and detours, maintenance and fleet management, personnel management, capital improvements, budgeting and reporting, contract management and negotiation, ridership analysis and performance reporting using Genfare fare boxes and Automated Passenger Counters, trip planning and next bus technology, vanpooling, bicycle sharing, community outreach, problem solving, civil and traffic engineering, environmental and land use planning, and Title VI of the Civil Rights Act of 1964.

EDUCATION: Bachelor of Science, Physical Geography; University of California at Davis.

PROFESSIONAL EXPERIENCE:

11/2013-Present: **Director of Planning**, Corpus Christi Regional Transportation Authority (CCRTA), Service Development Department, Corpus Christi, Texas.

- Direct the Authority's Service Development Department activities which includes the development of short and long range transportation plans in alignment with financial plans and approved budgets.
- Effectively manage an annual budget of approximately \$425,000 and department staff.
- Lead short and long range planning studies including the development of service plans with cost estimates to implement three operator sign-ups per year.
- Apply for state and federal grants in coordination with agencies including the Federal Transit Administration (FTA), Metropolitan Planning Organization (MPO), Texas Department of Transportation (TxDOT), and other subrecipients.
- Lead the analyzing, monitoring, and reporting of ridership results and performance metrics using Genfare fare box data, surveys, and trip card summaries.
- Support and problem solve customer focused transit technology products utilizing Clever Devices, Trapeze FX and Blockbuster, Google Transit, and TransLoc.
- Develop scopes of work and independent cost estimates to initiate and implement projects, and manage multiple consultant contracts.
- Lead federal reporting efforts under Title VI of the Civil Rights Act of 1964 and National Transit Database (NTD) including required passenger sampling.
- Support the completion of FTA Triennial and Federal Certification Reviews.
- Conduct customer outreach to inform public and other stakeholders of service improvements and changes.
- Prepare and present reports to the Board of Directors, bus operators, public, and other local and regional stakeholders.

11/2011-10/2013: **Director of Planning**, Riverside Transit Agency (RTA), Planning Department, Riverside, California.

- Developed the Planning Department's annual budget of \$1,200,000, managed projects, consultant contracts, service agreements, and implemented quarterly service changes.
- Directed and managed the Agency's planning and programming functions to support short and long range transportation plans. Led NTD reporting and passenger sampling efforts.
- Served as Project Manager for the 10-year RTA Forward Transit Plan to develop service improvements.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and TransitMaster CAD/AVL.
- Served as Project Manager for a scheduling services three year contract totaling approximately \$536,000.
- Developed and submitted state and federal grant applications.
- Prepared and presented reports to the Board of Directors, bus operators, public, and other local and regional stakeholders.

Gordon Robinson • Page 2

07/2010-10/2011: **Transit Planning Manager**, Orange County Transportation Authority (OCTA), Strategic Planning Department, Planning Division. Orange, California.

- Managed new transit planning section under the Planning Division responsible for completing a \$500,000 comprehensive systemwide fixed route and paratransit bus system restructuring study, branded the "Transit System Study", with extensive public outreach with approximately 50 stakeholders including all 34 cities in Orange County, the public, transit advocates, major employers, major colleges and universities, and the Board of Directors.
- Effectively led a team to develop work plans for prioritized annual and short range transit plans, completed transit initiatives including OCTA's Go Local Program and other planning studies, and submitted a planning grant application for a regional park and ride study in partnership with Caltrans.
- Developed a 20-year bus capital plan, conducting transit planning study to improve service delivery at the Brea Mall transit center, completing project study report equivalents at the Laguna Hills Transportation Center and the Anaheim Regional Transportation Intermodal Center to improve and define service design.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and Orbital CAD/AVL.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and several other stakeholder groups.

12/2007-06/2010: **Bus Rapid Transit Project Manager**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy Department, Transit Division. Orange, California.

- Project manager and contract manager to oversee 15 firms under the Program Management Consultant multi-year contract to support the Five-Year Rapid Transit Program involving the Bus Rapid Transit (BRT) program, Go Local and Measure M community circulator programs, and the planning and design for the Anaheim Regional Transportation Intermodal Center.
- Project manager in charge of OCTA's federally and state funded \$55 million Bravo! BRT program responsible for completing the design, construction, and implementation phases of three planned arterial based mixed-flow BRT corridors in Orange County.
- Led and coordinated multiple consultant team contracts for the civil and architectural design of approximately 110 BRT station stops including the preliminary design of a real-time passenger information system, traffic signal synchronization design and implementation, and preliminary concept design of transit signal priority elements for 252 intersections within the BRT corridors.
- Participated in contract negotiations with Procurement Department and legal counsel to resolve consultant performance and invoicing issues.
- Researched fare collection methods and travel time delays to reduce anticipated dwell times.
- Led grant application efforts to obtain funding to implement traffic signal synchronization.
- Conducted and coordinated stakeholder outreach efforts throughout the design of the BRT program.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and other stakeholder groups.

03/2002-11/2007: **Senior Transportation Analyst**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy and Strategic Planning Departments in the Transit and Planning Divisions. Orange, California.

- Managed and coordinated the planning and implementation of new bus services and other bus service improvements and recommendations for each service change using field work and data analysis tactics.
- Developed specific work plans for small contracts, analyze data to support transit planning studies, assess ridership projections, and support routing and stop improvements.
- Conducted analysis using GIRO's HASTUS scheduling databases, GFI fare box data, and Geographic Information Systems (GIS) methods and applications to assess travel speeds and service levels throughout city and unincorporated areas within the service area.
- Prepared and presented reports to Board of Directors and coordinated with stakeholder groups to implement improvements.

07/2000-03/2002: **Systems Manager**, FORMA. Irvine, California.

- Under the Planning Division, managed GIS staff assigning tasks, monitoring budgets, schedules, and project deadlines while performing external and internal marketing responsibilities including proposal writing, proposal interviews, demonstrations, conference presentations, developing business relationships, and completing marketing brochures and posters.
- Served as project manager for the \$170,000 Rivers and Mountains Conservancy Open Space Plan which included the data collection and GIS system development of over 650 data sets containing aerial imagery, historical, infrastructural, biological, demographical, transportation, and other planning related data. Coordinated and authored responses to request for proposals for GIS projects and built product demonstrations and brochures for presentations, meetings, and clients using ESRI software products.
- Provided private and public sector clients with GIS analysis results, reports, maps, and modeled visualizations, AutoCAD drawing modifications, and Microsoft Access software to support projects and related tasks.

11/1994-06/2000: **Senior GIS Analyst**, RBF Consulting, Information Systems Services Department. Irvine, California.

- In support of planning and engineering projects, supervised a team of employees assigning tasks, monitoring budgets, and schedules to meet project milestones for private and public sector clients. Served as deputy project manager for the completion of the Natural Communities Conservation Plan (Orange County Central-Coastal NCCP/HCP) planning effort in collaboration with the Irvine Company and other organizations to preserve open space, multiple species, and habitat areas in Orange County.
- Served as lead analyst to develop a transportation travel time model in order to determine the best location of a new fire station to serve a planned new development in south Orange County.
- Provided on-site GIS support for the OCTA to build and edit spatial and tabular routing data for transit and master plan of arterial highway applications. Served as data conversion manager for the City of Santa Barbara Automated Mapping Services project responsible for the data collection and conversion of over 330 water and wastewater atlas sheets containing over 18,000 facilities.
- Performed GIS analysis and mapping using ESRI software products, Microstation SE and Descartes, Microsoft Access, and MapObjects software to support projects.

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.
