

GOVERNOR GREG ABBOTT
TEXAS MILITARY PREPAREDNESS COMMISSION

December 15, 2017

Margie Rose
P.O. Box 9277
Corpus Christi, TX 78469

Dear Mrs. Rose:

The Texas Military Preparedness Commission (TMPC) is pleased to announce that the City of Corpus Christi has been awarded a Defense Economic Adjustment Assistance Grant (DEAAG) of **\$2,734,700.00** to repair water infrastructure at Naval Air Station Corpus Christi.

Governor Abbott and the State of Texas place a high value on the military installations in Texas and the defense communities that support these bases. This is one of two projects for the City of Corpus Christi during this funding round and both were well received. We look forward to watching this project develop and continue to support Naval Air Station Corpus Christi as an instrumental part of the military community in Texas.

Please reply to this award letter with a letter accepting or denying the grant award. If accepting, the TMPC staff will begin working with the point of contact designee and/or grant administrator in the application so we may begin processing the grant award.

Best Regards,
