Subject: Maintenance Costs - Field Lights for Ben Garza Park

Issue/Problem

During the City Council meeting presentation of agenda item #18-0179, a question was raised regarding the estimated maintenance costs for the field lights.

Background & Findings

The Service Agreement No. 50755 - Field Lights and Installation at Ben Garza Park document states in Attachment B that the product assurance and warranty program included for materials and onsite labor covers 100% of maintenance costs for 25 years.

Conclusion

Maintenance repairs for materials and onsite labor are included for 25 years.
