

ISLAND STRATEGIC ACTION COMMITTEE

BOARD DETAILS

OVERVIEW

SIZE 14 Seats

TERM LENGTH 3 Years

TERM LIMIT 6 Years

The Island Strategic Action Committee (ISAC) advises the Mayor and City Council on development and implementation of the Mustang-Padre Island Area Development Plan. The ISAC shall develop specific strategies for implementation of the Mustang-Padre Island Development Plan with specific timelines to implement the respective strategies and a clear determination of which agency or individual is responsible to implement specific projects or programs.

DETAILS

COMPOSITION

The committee shall consist of fourteen (14) members appointed by the City Council. The membership must include: 1 - member of the Padre Isles Property Owners Association, who has been nominated by the association; 1 - residential property owner who owns property and resides on Mustang or Padre Island; 1 - commercial property owner who owns property and operates a business on Mustang or Padre Island; 1 - developer of property on Mustang or Padre Island; 1 - member of the Padre Island Business Association, who has been nominated by the association; 1 - architect or professional engineer, who does work on projects on Mustang or Padre Island; 1 - realtor, who primarily represents buyers or sellers of property on Mustang or Padre Island; 1 - construction contractor, who primarily works on projects on Mustang or Padre Island; 1 - representative of an environmental group; 1 - person who resides on Mustang Island or who is an employee of a Mustang Island property owner; and 4 - at-large representatives who are residents of the City. Not less than twelve (12) members must reside or own property on Mustang or Padre Island. One (1) of the at-large representatives may, but is not required to, reside on Mustang or Padre Island. The City Council may appoint not more than five (5) members of the action committee who do not reside within the City if they own or represent the owner of property on Mustang or Padre Island. The following organizations may appoint a representative to serve as an ex-officio advisory member of the action committee without vote: Planning Commission, Watershore and Beach Advisory Committee, Park and Recreation Advisory Committee, Nueces County, Nueces County Water Control and Improvement District No. 4, and Corpus Christi Convention and Visitors Bureau. Of the initial members, seven (7) members shall serve a three-year term and six (6) members shall serve a two-year term, as determined by a drawing to be conducted by the City Secretary's Office. Thereafter, all terms shall be three (3) years.

CREATION / AUTHORITY

Ordinance No. 028488, 2/16/10; amended Ordinance 030830, 4/26/16.

MEETS

1st Tuesday of every month at 5:30 p.m., Holiday Inn Express, 15209 Windward Dr., Corpus Christi, TX.

<hr/>	
TERM DETAILS	Three-year staggered terms.
<hr/>	
DEPARTMENT	General Government & Operations Support
<hr/>

| ▪ Strategic Business Planning | ▪ Logistics and Distribution |
| ▪ Promotions and Merchandising | ▪ P&L Finance and Budgeting |

A Career of Increasing Top Line Revenues to Drive the Bottom Line

Sea Oats Group/Cinnamon Shore LLC, Port Aransas, TX, 2014 – Present

Land Development, Realty Sales, Resort & Vacation Management, Home Owner Association

MANAGING DIRECTOR & CMO

Directed all land planning and entitlements for a \$1.5 Billion expansion of Cinnamon Shore South. Recruited new executive management team and negotiated strategic partnerships with banking partners, architects, builders, technology, and information management companies.

Transitioned the start-up venture to full-scale operational hospitality businesses and aggressively grew the Resort development, through Strategic Marketing, Realty Sales, Property and Vacation Management, Resort Services that included Food & Beverage and Concierge Services. Directed the entire Internet/website development process, leveraged past success with one-on-one marketing concept (developed as Managing Partner/ Vice President of Radians) to create an immediate and sustainable market presence.

- Grew the business with asset of \$100 million to over \$300 million in 2.5 years
-

- Expansion leadership and direction. Managing relationships with: board of directors, land planner, civil engineers, city, county, the core of engineers, and other outside agencies.
- Negotiated several rounds of private financing for rapid growth and expansion

Arion Perfume & Beauty, San Antonio, TX, 2013 – 2014

Importer/Exporter Sales & Distribution of HBA Products

PRESIDENT & COO

Turned a struggling business that in 11 years had never made money. Expanded sales into new channels of distribution. Overhauled operational issues within supply chain, finance and new product development that aided in the overall business success, marketing effectiveness, quality, service and cost-effective management of resources. Formulated policy and quickly developed new strategies and procedures. Created Latin American offering that surpassed competition. Held P&L responsibility with 65 employees.

- Grew the business to over \$25 million in less than eight months
- Led the Research and Development of a new product line that has expanded the business into two new channels of distribution, which has diversified the company's customer base and represents 45% of the overall business
- Identified operational cost-cutting measure that will save the company over \$650,000 per year in bottom line savings
- Formulated policy and quickly developed new strategies and procedures. Created Latin American offer that surpassed competition

Dalphis Holdings, Memphis, TN, 2010 – 2013

Manufacturer of Interior Window Coverings

PRESIDENT & COO

Developed marketing plan that introduced new products and services into business sector. Directed development of new businesses and alliance relationships. Build upon an entrepreneurial culture. Integrated new management team. Oversaw company operations to ensure sales success, production efficiency, marketing effectiveness, quality, service and cost-effective management of resources. Held P&L responsibility with 120 employees.

- Cut manufacturing costs from \$26 a unit to \$8. Kept labor at fixed percentage by increasing efficiency.
- Led development of new channel strategies that generated 8% from old business and 18% in new business.
- Positioned company for sale in January 2012. Asked to stay on for the transition period.

Pure-Air, Greenwood, MS, 2008 – 2010

Commercial Services Business/Facilities Management.

MANAGING DIRECTOR

Wrote businesses' plans and budgets for multiple production locations, sales and marketing efforts and full-service engineering and design capability. Oversaw executive team to build organization and competencies. Evaluated and upgraded IT systems. Closely monitored P&Ls, balance sheets, forecasting, pricing and value creation. Set up all sales and compensation programs. Held full business unit P&L with nine direct and 300 indirect reports.

- Grew sales almost two-fold in 18 months by expanding current base of business into large national accounts, including Wal-Mart, Dollar General, Family Dollar and PetSmart.
- Drove sales growth of 15% by initiating marketing plan that introduced new technology into education segment that increased market share.

NPG & Lifetime Industries, Inc., Memphis, TN, 2007 - 2009

Manufacturer of commercial filtration. An OEM supplier environment with highly engineered product components design and manufacturing sold in Latin and South America, Europe and Australia.

PRESIDENT NEW PRODUCT GROUP**VICE PRESIDENT LIFETIME INDUSTRIES** concurrent positions

Thinking out of the box, spearheaded one licensing agreement with DuPont to go after Brita and Pur resulting in rapid expansion. Ensured branded communication and public relations. Provided strategic planning and execution. Held P&L responsibility with four direct and 50 indirect reports.

- Doubled sales in 2007 through new customers and new distribution channels.
- Spearheaded acquisition of cut and sew liquid and dust collection business to increase product lines which generated more than 35% in 2007 sales due to knowledge of contracting, negotiating and change management. Projected five-year ROI, which was completed in 24 months.
- Delivered more than 22% in new business as key executive for major national accounts of Trane, Carrier, Lennox, DuPont and Honeywell.

Radians, Inc., Memphis, TN, 2004 – 2007

Global personal protection equipment vendor.

MANAGING PARTNER AND VICE PRESIDENT MARKETING**PRESIDENT, SSI** concurrent positions

Oversaw development of businesses, alliance relationships and event marketing with DEWALT, Black & Decker, Remington, and NASCAR. Formulated policy and quickly developed new strategies and procedures. Created Latin American offer that surpassed competition. Expanded business on global scale and, as flagship business unit, led overall enterprise by example and results. Steered company to the forefront of the industries served. Held full P&L responsibility with three direct and 20 indirect reports.

- Led acquisition of DEWALT footwear business that generated over 45% in 2006 sales.
- Increased new business more than 35% as key executive for major national accounts, including Costco, Sam's Club, Wal-Mart, Home Depot, Lowe's and Sears at Radians.

International Paper Company, Memphis, TN, 1992 – 2004

Forest products industry.

MANAGING DIRECTOR, HEWLETT PACKARD GLOBAL BUSINESS.

Launched fastest growing global office paper product line (HP Everyday brands). Chaired corporate-to-corporate partnership between International Paper and Hewlett Packard. Moved US business from development organization to fully functioning entity, working within control environment of global management and process structure. Analyzed and interpreted financial data; held P&L responsibility with cross-functional team of five direct reports and 25 indirect reports.

- Took sales from zero to \$750M in seven years by overcoming cultural differences to grow a truly global business that utilized outsourced partners resulting in highest profits in the company.
- Faced challenge of no initial capital investment.
- Negotiated agreements with outside suppliers and converters to launch in new global regions.
- Results - \$2M of ongoing annual profit.
- Achieved 250% increase in US sales revenue with full responsibility for negotiating major, multi-year contracts generating revenues of up to \$18M per contract.
- Created and introduced 75 new products that generated over \$500K in first-year profits.

Climbed the corporate ladder, beginning career within paper mill engineering department and Georgia-Pacific customer service and outside sales.

ISLAND STRATEGIC ACTION COMMITTEE: Submitted

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I do not currently serve on any other City board, commission, or committee at this time. I recently (12/11/2017) termed out of co-chair of the Watershore and Beach Advisory Committee, where I had served on the ISAC as an Ex-Officio representative of the WBAC.

Education, Professional and/or Community Activity (Present)

I graduated from TAMUCC with a Marine Biology degree. I have been an Environmental Scientist since graduation in the Corpus Christi Community. I am the recent past President of the Coastal Conservation Association (CCA-CC) Chapter. I am currently the Chair of the Habitat Today/Fish for Tomorrow Committee for CCA-Texas. I am also the Texas Executive Director of the Snook and Gamefish Foundation. I also write an article in the Padre Island Moon titled "On the Rocks" Disclosure: Naismith/Hanson Engineering currently has several contracts with the City regarding streets and infrastructure with the Local Government division. I work for the Power and Industry division of the company, and we do not currently (as of 12/2017) do not have any contracts with the City regarding Environmental work, or any other work from my division. The City typically completes their own Environmental work, or contracts with another company historically (HDR)

Why are you interested in serving on a City board, commission or committee?

I have been on and around the Island for many years, and have been keenly interested in Packery Channel, it's history, and the management of. I fish and snorkel there frequently. I am also very interested in the history of the Island. I have worked on the Padre Island Seashore in the past for several years as Turtle Patrol. During my Ex-Officio term on the ISAC, I built a rapport with committee members and City Staff, and I believe that Staff has shown the initiative and willingness to work with the WBAC and ISAC committees and the community to complete the six-pack items that are over-due, and re-extend the TIRZ #2 in order to protect the City's interests.

Board-specific questions (if applicable)

Question applies to ISLAND STRATEGIC ACTION COMMITTEE

Per city ordinance, the committee must include representatives from certain categories. Do you qualify for any of the following categories? *

- ☒ Architect or Professional Engineer (Who does work on projects on Mustang or Padre Island)
- ☒ Environmental Group Representative

JAY GARDNER

Mr. Gardner has been involved with beach and dune permitting, restoration, and mitigation for twelve years. Projects have included developments and walkovers on Padre and Mustang Island, Port Aransas, South Padre, Cameron County and Matagorda Islands, as well as permitting and compliance monitoring for USACE permits regarding beach maintenance. He has intimate knowledge of local beach/dune rules, Texas Administrative Code Chapter 15, The Open Beaches Act and Chapters 61-63 of the Natural Resources Codes dealing with beach access, rights, and dune protection. Mr. Gardner has a close working relationship with beach/dune committees, the TXGLO, county commissioners, and county park staff in many counties. Mr. Gardner also currently serves as an alternate engineer for Port Aransas, where his main duties are to review Beachfront Construction Certificates/Dune Permits.

Mr. Gardner has been involved with shoreline protection, seagrass and shoreline vegetation protection, enhancement, and plantings for 14 years. He has worked with a variety of coastal governments and NGO's (such as CCA-Texas, TNC, USFWS, etc.) regarding shoreline erosion response and protection through both engineered solutions and living shorelines. He chairs the CCA-Texas Habitat Today/Fish for Tomorrow committee that has partnered with a variety of stakeholders and has helped coordinate more than \$8 million in coastal and nearshore habitat restoration and enhancement projects, as well as marine debris projects.

Relevant Beach/Dune Project Experience

- Cameron County Beach Maintenance Permit (USACE) and monitoring
- Bob Hall Pier Expansion
- Nueces County Coastal Parks Master Plan
- Port Royal Walkover
- Island Park Estates subdivision and walkover
- Beachview Estates subdivision and walkover
- Lost Colony Dune Restoration
- Sunrise Shores subdivision and walkover
- James Worth Utilities
- Cabela's Beach Houses subdivision and new beach access road
- Jim Williams Beach access road and development
- La Concha (various lots, DPP/BCC) subdivision and walkover
- Bella Vista subdivision
- BriteStar subdivision and walkover
- Padre Balli Park Improvements

Relevant Shoreline Project Experience:

- Laguna Point Recreational Area – City of Port Mansfield
- Fulton Beach Road – City of Rockport/Fulton
- Little Bay Oyster Restoration Project -
- Packery Channel Park – Nueces County
- PJ's Marina
- JFK Boat Ramps and Bulkhead
- Tortuga Harbor
- Barney Davis/Talen Energy intake channel repairs

Which Boards would you like to apply for?

ISLAND STRATEGIC ACTION COMMITTEE: Submitted

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

No not at this time

Education, Professional and/or Community Activity (Present)

Human Resources, OSHA Safety, Public Speaking, Crisis Management Park and Recreation Board member 2005, Billings, Montana

Why are you interested in serving on a City board, commission or committee?

I am a resident of North Padre Island, and have chosen to retire and live here. I have a vested interest as a home/property owner in the continual growth and improvements of the Island. I believe that I have a fresh outlook being a fairly new resident, that would be beneficial to the Island. I am not a Business Owner, Real Estate Broker, nor a Realtor. Therefore my interests are purely for the betterment of the Island and I am able to look at things with an open mind.

Verification

City Code Requirement - Residency

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-65, which states that all members of City boards and commissions, including ad hoc committees, appointed by the City, must be residents of the city. A move outside the city limits of the city by any member shall constitute automatic resignation from the particular board or commission on which such member served.

☒ I Agree

City Code Requirement - Attendance

As a board, commission, or committee member, you will be asked to adhere to City Code of Ordinances, Section 2-61, which provides that absences from more than 25% of regularly scheduled meetings during a term year on the part of any board, commission, or committee member shall result in an automatic termination. An absence shall be deemed unexcused unless excused by the board, commission or committee for good cause no later than its next meeting after the absence.

☒ I Agree

Consent for Release of Information

I understand that if any member of the public makes a request for information included in this application for appointment it must be disclosed under the Public Information Act. I also understand that it may not be legally possible to maintain the confidentiality of such information, and I hereby release the City of Corpus Christi, and its agents, employees and officers, from any and all liability whatsoever if the information must be released pursuant to the Public Information Act.

☒ I Agree

Oath

I swear that all of the statements included in my application and attached documents, if any, are true and correct.

☒ I Agree

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I am a member of the PIPOA Architectural Control Committee. I have served as the District 4 representative on the 2015/16 City Charter Ad Hoc Review Committee. The committee just completed its review. The committee is temporary, serving from September to June, and is commissioned by Council every 5 or so years. The charge of the committee is to review amendments to the City Charter, such as term limits, council pay structure, residential street repair funding, and various changes to the Charter based on feedback from the City Attorney's office.

Brent R. Hess

SUMMARY

Product Manager/Business Analyst experienced in product development, requirements elicitation, client service/account management, and team leadership. I am a self-starter and motivated team player. I thrive under deadlines and can multi-task critical projects. I am skilled in MS Office products (Word, Excel, Outlook, PowerPoint), MS SharePoint, SQL database query, WS FTP, and Visio.

EDUCATION

- Texas Tech University, BBA Finance July, 1986
- University of Phoenix, MBA October, 1997

PROFESSIONAL EXPERIENCE

**Product Manager, Government Reporting
Talisys**

Golden, CO and Little Rock, AR
October, 2013 – Present

- I work remotely from my home in Corpus Christi, however I travel often to the Little Rock and Golden offices.
- Team-Lead for Team Government Reporting. Responsible for regulatory changes and enhancements to a software system and service bureau used by securities brokerage firms.
- Work extensively with clients for input into requirements for current and future projects.
- Responsible for implementing best practices in tax reporting as a service bureau.
- Responsible for tax reporting operations for service bureau clients. This includes production of tax forms (forms 1099, 1042-S, 5498) and interfaces with print and data vendors, and IRS information return filing.
- Responsible for State information reporting and withholding.

**Director, Product Management
Broadridge Financial Solutions, Inc.**

Wheat Ridge, Colorado
May, 2000 – October, 2013

- Full-time consultant for Broadridge through Apex Services, Inc. April 1, 2012 – October 13, 2013 due to a move from Denver to Corpus Christi.
- Product director for a brokerage portfolio accounting and performance reporting system used by many large and medium sized brokerage firms. The company acts as a service bureau for many broker dealers. Service bureau clients include correspondent clearing firms, full-service brokerage firms, discount brokerages, day trading firms, and small boutique brokerage firms.
- Product manager responsible for new client conversions.
- Responsible for writing functional specifications to modify or upgrade assigned subsystems.
- Manage development project teams during the life-cycle of several competing and time-sensitive projects. Multi-task as necessary to ensure each project moves along as planned.
- Write functional requirement matrix documents that are used to map technical and functional requirements. Work closely with Quality Assurance throughout the testing and release phase of my projects.
- Work closely with clients for both requirements research prior to finalizing a functional specification, and the beta testing/general software release process.
- Prior to 2010, served as the product manager and operational production manager for tax reporting for 18 service bureau firms. Produced over 80 million 1099 forms each year. Filed information returns with the IRS. Maintained close relationships with clients, IRS agents, and outside vendors of tax reporting information and statement services.

**Director, Managed Care
Private Healthcare Systems, Inc.**

Denver, Colorado
May, 1991 – January, 2000

- Director of PPO operations in several states, to include contracting responsibilities for 8,500 physicians, 80 hospitals, and over 350,000 members. Primary contract negotiator for assigned markets. Analyzed and reported financial impact of negotiated deals. Team leader for Competitive Reimbursement Project, a tool used to develop hospital and market reimbursement targets based upon competitive information and market equilibrium prices.
- Developed and analyzed financial impact of market physician fee schedules. Analyzed impact of ancillary health care facility deals.
- Liaison between providers and PHCS' partner insurance carriers. Worked with hospitals, ancillary managers, and physician group managers to help resolve claims and service issues.
- Responsible for departmental budget, expense control, and the supervision of department staff.

**Managed Care Coordinator
Presbyterian/St. Luke's Health Care System**

Denver, Colorado
April, 1989 – May, 1991

- Negotiated and managed 86 HMO and PPO hospital contracts for a three-hospital system. Analyzed financial impact to hospital revenues that each contract produced, and presented monthly/quarterly financial reports to senior management.
- Assisted in the development of a cost accounting and case-mix system.
- Acted as a liaison between hospital business office, admissions, and utilization review personnel and the payers. Developed admitting and claims processing policies related to managed care contract fulfillment.
- Responsible for maintaining managed care payer information on the hospital's admissions system.

**Assistant Executive Director – Finance
Humana Hospital – Aurora**

Aurora, Colorado
August, 1986 – April, 1989

- Directed business office, admissions, accounting, data processing, materials management, and medical records functions. Reviewed month-end close, and prepared variance reports for corporate accounting.
- Produced weekly financial projections for Division CFO. Produced Capital Asset ROI models.
- Produced annual hospital budget and handled annual physical inventory. Audited cash and controlled drugs each quarter.
- Served as Financial Specialist from August, 1986 – January, 1988 at Humana Hospital San Antonio.

PROFESSIONAL AFFILIATIONS

- Certified Information Return Filer (CIRF), National Association of Form 1099 Filers
- Former board member - National Association of Form 1099 Filers
- Former Sergeant First Class, U.S. Army Reserve (1982 – 1997)

INTERESTS

- Boating / fishing.
- Married over 29 years. Father of two grown daughters.
- Architectural Control Committee member – Padre Island POA
- Committee Member: 2015/16 Corpus Christi City Charter Review Ad Hoc Committee

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

I do not currently serve on a City board, commission or committee. I do serve as a member of the Board of Directors with my homeowners association, Tropic Isles HOA, in Flour Bluff.

Education, Professional and/or Community Activity (Present)

I have a Bachelor of Science degree in Geography from the University of California at Davis. I am the Director of Planning at the Corpus Christi Regional Transportation Authority (CCRTA). In addition, I am a Project Management Professional (PMP). During periods of implementing service improvements or conducting major planning studies, I have connected with the community throughout the City of Corpus Christi. Additionally, I interface with the CCRTA Board of Directors each month through presentations at meetings to advance transit initiatives and report performance statistics. I enjoy living in Corpus Christi and serving the community as a CCRTA professional. I've talked with residents and visitors at transit stations, bus stops, on buses, while walking in downtown or in the neighborhoods. I've confidently presented in front of several stakeholder groups at senior centers, schools, neighborhood associations including North Beach, Flour Bluff, and the Northside area, City of Corpus Christi Committee for Persons with Disabilities, Young Business Professionals, Downtown Merchants Association, Corpus Christi MPO Technical Advisory Committee, CCRTA Board of Directors, CCRTA Committee on Accessible Transportation, R/UDAT Steering Committee, Caller Times, Naval Air Station, Corpus Christi Army Depot, and other groups. I am a member of the Corpus Christi Metropolitan Planning Organization (MPO) Technical Advisory Committee, CCRTA-City of Corpus Christi Monthly Coordination Meetings, and the Regional/Urban Design Assistance Team Program (R/UDAT) Steering Committee which was formed in the Fall of 2014.

Why are you interested in serving on a City board, commission or committee?

Corpus Christi is a diverse city with multiple business, education, recreation, and tourism opportunities. It is a growing region that needs to strategically advance more development and revitalization efforts. My interests while serving on a committee are to increase family and youth activities, improve economic development, provide focused revitalization opportunities to attract more residents and visitors to our community, and foster public and private partnerships to increase our overall livelihood. By serving on a City of Corpus Christi Committee, I believe that I have the background and professional knowledge to make a positive impact for our community.

Gordon Robinson, PMP

SUMMARY: Experienced executive leader, technically skilled, certified project management professional (PMP), and effective communicator who is a hands-on, motivated, reliable, and experienced professional in the areas of strategic planning, transit service design and implementation including scheduling, blocking, rostering, customer service, bus and paratransit operations including bus stop management and detours, maintenance and fleet management, personnel management, capital improvements, budgeting and reporting, contract management and negotiation, ridership analysis and performance reporting using Genfare fare boxes and Automated Passenger Counters, trip planning and next bus technology, vanpooling, bicycle sharing, community outreach, problem solving, civil and traffic engineering, environmental and land use planning, and Title VI of the Civil Rights Act of 1964.

EDUCATION: Bachelor of Science, Physical Geography; University of California at Davis.

PROFESSIONAL EXPERIENCE:

11/2013-Present: **Director of Planning**, Corpus Christi Regional Transportation Authority (CCRTA), Service Development Department, Corpus Christi, Texas.

- Direct the Authority's Service Development Department activities which includes the development of short and long range transportation plans in alignment with financial plans and approved budgets.
- Effectively manage an annual budget of approximately \$425,000 and department staff.
- Lead short and long range planning studies including the development of service plans with cost estimates to implement three operator sign-ups per year.
- Apply for state and federal grants in coordination with agencies including the Federal Transit Administration (FTA), Metropolitan Planning Organization (MPO), Texas Department of Transportation (TxDOT), and other subrecipients.
- Lead the analyzing, monitoring, and reporting of ridership results and performance metrics using Genfare fare box data, surveys, and trip card summaries.
- Support and problem solve customer focused transit technology products utilizing Clever Devices, Trapeze FX and Blockbuster, Google Transit, and TransLoc.
- Develop scopes of work and independent cost estimates to initiate and implement projects, and manage multiple consultant contracts.
- Lead federal reporting efforts under Title VI of the Civil Rights Act of 1964 and National Transit Database (NTD) including required passenger sampling.
- Support the completion of FTA Triennial and Federal Certification Reviews.
- Conduct customer outreach to inform public and other stakeholders of service improvements and changes.
- Prepare and present reports to the Board of Directors, bus operators, public, and other local and regional stakeholders.

11/2011-10/2013: **Director of Planning**, Riverside Transit Agency (RTA), Planning Department, Riverside, California.

- Developed the Planning Department's annual budget of \$1,200,000, managed projects, consultant contracts, service agreements, and implemented quarterly service changes.
- Directed and managed the Agency's planning and programming functions to support short and long range transportation plans. Led NTD reporting and passenger sampling efforts.
- Served as Project Manager for the 10-year RTA Forward Transit Plan to develop service improvements.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and TransitMaster CAD/AVL.
- Served as Project Manager for a scheduling services three year contract totaling approximately \$536,000.
- Developed and submitted state and federal grant applications.
- Prepared and presented reports to the Board of Directors, bus operators, public, and other local and regional stakeholders.

Gordon Robinson • Page 2

07/2010-10/2011: **Transit Planning Manager**, Orange County Transportation Authority (OCTA), Strategic Planning Department, Planning Division. Orange, California.

- Managed new transit planning section under the Planning Division responsible for completing a \$500,000 comprehensive systemwide fixed route and paratransit bus system restructuring study, branded the "Transit System Study", with extensive public outreach with approximately 50 stakeholders including all 34 cities in Orange County, the public, transit advocates, major employers, major colleges and universities, and the Board of Directors.
- Effectively led a team to develop work plans for prioritized annual and short range transit plans, completed transit initiatives including OCTA's Go Local Program and other planning studies, and submitted a planning grant application for a regional park and ride study in partnership with Caltrans.
- Developed a 20-year bus capital plan, conducting transit planning study to improve service delivery at the Brea Mall transit center, completing project study report equivalents at the Laguna Hills Transportation Center and the Anaheim Regional Transportation Intermodal Center to improve and define service design.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and Orbital CAD/AVL.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and several other stakeholder groups.

12/2007-06/2010: **Bus Rapid Transit Project Manager**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy Department, Transit Division. Orange, California.

- Project manager and contract manager to oversee 15 firms under the Program Management Consultant multi-year contract to support the Five-Year Rapid Transit Program involving the Bus Rapid Transit (BRT) program, Go Local and Measure M community circulator programs, and the planning and design for the Anaheim Regional Transportation Intermodal Center.
- Project manager in charge of OCTA's federally and state funded \$55 million Bravo! BRT program responsible for completing the design, construction, and implementation phases of three planned arterial based mixed-flow BRT corridors in Orange County.
- Led and coordinated multiple consultant team contracts for the civil and architectural design of approximately 110 BRT station stops including the preliminary design of a real-time passenger information system, traffic signal synchronization design and implementation, and preliminary concept design of transit signal priority elements for 252 intersections within the BRT corridors.
- Participated in contract negotiations with Procurement Department and legal counsel to resolve consultant performance and invoicing issues.
- Researched fare collection methods and travel time delays to reduce anticipated dwell times.
- Led grant application efforts to obtain funding to implement traffic signal synchronization.
- Conducted and coordinated stakeholder outreach efforts throughout the design of the BRT program.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and other stakeholder groups.

03/2002-11/2007: **Senior Transportation Analyst**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy and Strategic Planning Departments in the Transit and Planning Divisions. Orange, California.

- Managed and coordinated the planning and implementation of new bus services and other bus service improvements and recommendations for each service change using field work and data analysis tactics.
- Developed specific work plans for small contracts, analyze data to support transit planning studies, assess ridership projections, and support routing and stop improvements.
- Conducted analysis using GIRO's HASTUS scheduling databases, GFI fare box data, and Geographic Information Systems (GIS) methods and applications to assess travel speeds and service levels throughout city and unincorporated areas within the service area.
- Prepared and presented reports to Board of Directors and coordinated with stakeholder groups to implement improvements.

07/2000-03/2002: **Systems Manager**, FORMA. Irvine, California.

- Under the Planning Division, managed GIS staff assigning tasks, monitoring budgets, schedules, and project deadlines while performing external and internal marketing responsibilities including proposal writing, proposal interviews, demonstrations, conference presentations, developing business relationships, and completing marketing brochures and posters.
- Served as project manager for the \$170,000 Rivers and Mountains Conservancy Open Space Plan which included the data collection and GIS system development of over 650 data sets containing aerial imagery, historical, infrastructural, biological, demographical, transportation, and other planning related data. Coordinated and authored responses to request for proposals for GIS projects and built product demonstrations and brochures for presentations, meetings, and clients using ESRI software products.
- Provided private and public sector clients with GIS analysis results, reports, maps, and modeled visualizations, AutoCAD drawing modifications, and Microsoft Access software to support projects and related tasks.

11/1994-06/2000: **Senior GIS Analyst**, RBF Consulting, Information Systems Services Department. Irvine, California.

- In support of planning and engineering projects, supervised a team of employees assigning tasks, monitoring budgets, and schedules to meet project milestones for private and public sector clients. Served as deputy project manager for the completion of the Natural Communities Conservation Plan (Orange County Central-Coastal NCCP/HCP) planning effort in collaboration with the Irvine Company and other organizations to preserve open space, multiple species, and habitat areas in Orange County.
- Served as lead analyst to develop a transportation travel time model in order to determine the best location of a new fire station to serve a planned new development in south Orange County.
- Provided on-site GIS support for the OCTA to build and edit spatial and tabular routing data for transit and master plan of arterial highway applications. Served as data conversion manager for the City of Santa Barbara Automated Mapping Services project responsible for the data collection and conversion of over 330 water and wastewater atlas sheets containing over 18,000 facilities.
- Performed GIS analysis and mapping using ESRI software products, Microstation SE and Descartes, Microsoft Access, and MapObjects software to support projects.

HONORS, AWARDS, and ACCOMPLISHMENTS:

- 2017-18 Leadership Corpus Christi Class 46 Participant
- 2016-17 Texas Transit Leadership Initiative Graduate
- Presenter at the 2017, 2016 and 2015 APTA Multimodal Operations Planning Workshops
- Presenter at the 2016 APTA Bus and Paratransit Conference in Reno, NV
- 2015 American Public Transportation Association (APTA) Peer Review, Pierce Transit, Lakewood, WA
- Member of the APTA Policy and Planning Committee, APTA Major Capital Investment Planning Subcommittee, and the APTA EJ/Title VI Subcommittee

RE: Resume for ISAC

People:

I would very much like to become the Mustang Island representative on the Islands Strategic Action Committee (ISAC). Here's some information to help you get to know me better and see why I'd be right for the position.

I've been a Mustang Island Property owner for over five years, and when we moved to Corpus Christi three years ago, began designing and building our Mustang Island dream home. I've been living on our island for the past year, and have been attending ISAC meetings since we first arrived three years ago.

When we first moved here, my returning South Texas wife and I were hungry to learn everything we could about our new homeland and how decisions are made. I'm an inexhaustible busybody and want to learn everything I can about things that interest me. That brought us to the ISAC because it was clear that was where a good deal of information was provided. I've become one of the regulars, attend consistently, and follow topics — both simple and complex — as they evolve.

I've become an active member of the board of the Islands United Political Action Committee (IUPAC) because I see it as an important vehicle to help get out the vote for issues relevant to the islands, and because I want to ensure that it's focused not only on Padre Island issues, but includes those all the way to Port Aransas. It is very clear that, while both islands are clearly interconnected, there are a variety of differences both in how the two islands are served and in how the City perceives them. In addition to the IUPAC, I'm an active member of the Unitarian Universalist Church of Corpus Christi, where I am currently the Chair for the Settled Ministerial Search Committee, and sound technician for Sunday services. I'm also Public Policy Chair for the Texas Distance Learning Association.

My professional background is in education. I started my career as a junior high school science teacher in Massachusetts, and then as a curriculum coordinator, guidance counselor, and building administrator. I was a civil rights specialist for the Massachusetts Department of Education, and then discovered the world of non-profit school improvement organizations, where I worked for a decade in a number of federally-funded projects, all related to improving education. During that time, my roles took on increased management responsibility, including becoming an Associate Project Director and Director of Technology. That was followed by another decade of work in an educational technology research and development organization, where I was Vice President and managed a number of projects including a five-year, \$10 million, nationally recognized teacher professional development program. We did pioneering work in online learning, including creating the country's first virtual high school. This is where I began to develop my expertise in online education, which has developed into a national reputation.

I followed that as an administrator for one of the nation's leading online mentoring programs for higher education students and faculty. I was most recently an assistant professor at Huston-Tillotson University, where my many hats included Instructional Technology Coordinator, Distance Education Coordinator, coordinator for faculty professional development, along with instructor of instructional technology in the teacher preparation program.

As a result of my background in civil rights and my leadership in online education, I have become nationally recognized for my expertise in researching and interpreting the legal issues in providing online learning to students with disabilities. I consult with K-12 and higher education institutions on issues of quality in online education, have a number of publications to my credit, and have been an invited speaker at Texas A&M Corpus Christi, as well as at various state and national conferences.

I feel the ISAC has a significant role in the growth and development of both Padre and Mustang Islands, but that it is crucial for there to be representation from Mustang Island by someone who not only travels the Island Road regularly, but is immersed in the living here, and is aware of the growth, changes, and needs that are taking place in Port Aransas that will influence life on both islands.

I'm a researcher, an analyst, and big-picture visionary who's been characterized as seeing things differently than others. I like to ask, "But what about...?" and, "How will this affect...?" I have been able to pull together seemingly unrelated nuances that shape outcomes and then calculate their influences. I want to make the sphere I live in a robust, functioning, intentional community.

I would very much like to be that representative and appreciate your consideration.

Sincerely

A handwritten signature in blue ink, reading "Raymond M. Rose". The signature is fluid and cursive, with the first name "Raymond" being the most prominent part.

Which Boards would you like to apply for?

ISLAND STRATEGIC ACTION COMMITTEE: Submitted

Interests & Experiences

Do you currently serve on any other City board, commission or committee at this time? If so, please list:

Packery Channel Subcommittee

Education, Professional and/or Community Activity (Present)

Underground Utility Manufacturer 30 yrs experience TCEQ Wastewater Inspection and Maintenance License Real Estate Agent License U S Coast Guard Captain License Organizer for "Island Blast" 4th of July Fireworks Celebration (5years)

Why are you interested in serving on a City board, commission or committee?

I believe the Island is a valuable resource to the City of Corpus Christi's tourist industry and has the potential for exceptional growth and development. I would like to participate in the conversation between the City of Corpus Christi, Island Business, and it's residential community concerning that development. I have observed the ability of the ISAC to work with City Council to better represent the views of the Island and promote its future. I would like the opportunity to be a part of that effort. I am also very interested in maintaining the viability of the Packery Channel, the Island canal system, and its beaches.
