

Region-Wide Bike Boulevard Wayfinding Initiative

Council Presentation
June 19, 2018

Location Map

Project Scope

This is a Joint City/TXDOT project for Citywide improvements including:

- Pavement markings for bike boulevards
- Trail markers and directional signage for bike paths
- Identification of marking and signage locations
- 80/20% cost sharing (TXDOT/City)
- Traffic improvement on ~20 – 30 miles of city streets

Bike Boulevard
Pavement Marking

This item includes the payment of \$64,500 to TXDOT for administration and oversight support.
