Subject: Reytec Industrial Park (Preliminary plat)

Mr. Collins:

The preliminary plat of Reytec Industrial Park, is due to expire on June 18, 2018. We, Urban Engineering, on behalf of GMG Partners, LP, would like to request a time extension of twenty four (24) months for the above referenced project. Public Improvements for this project took longer than anticipated and were approved in February of this year. We are in the process of obtaining signatures for the offsite easements associated with the final plat of Unit 1. We have included a check in the amount of \$38.00 (No. 028931) for this request. Please feel free to call if you have any questions or comments.

Thank you,

Xavier Galvan
