Texas General Land Office Beach Cleaning and Maintenance Assistance Program
--

CAPTION:

Resolution approving Texas General Land Office's Beach Cleaning and Maintenance Assistance Program FY 2018-2019 grant application.

PURPOSE:

The Beach Cleaning and Maintenance Assistance Program provides reimbursement for some portion of the City of Corpus Christi's beach maintenance expenditures.

BACKGROUND AND FINDINGS: The Texas General Land Office (TGLO) Beach Cleaning and Maintenance Assistance Program uses a funding formula to reimburse cities and counties. The reimbursement amount varies from year to year based on the formula and available funds. Currently, the principal portion of the beach maintenance appropriations is distributed among the twelve communities that contain public beaches within their jurisdiction and have made application for funding. For FY17, the City received \$62,997.95. FY18 funds have yet to be distributed but are estimated to be approximately \$60,000.00.

ALTERNATIVES: Do not apply for beach maintenance funding.

OTHER CONSIDERATIONS: Cities which qualify for eligibility under the Natural Resources Code, may receive up to, but no greater than two-thirds reimbursement for eligible expenses incurred in cleaning and maintaining the beaches; however, actual state appropriations have always limited this reimbursement to the range of 10 to 20 percent of actual local costs.

CONFORMITY TO CITY POLICY: The City Council must pass a resolution to apply for the Texas General Land Office program.
