---

Double BA in Government and Economics, Graduate of CCISD, Ray High School, Baker, Windsor Park I own and actively manage a 360,000 square foot commercial real estate portfolio in Corpus Christi for a living. I serve on the board of HELP which takes kids to see jobs in our community they can get and earn a good living doing with locally available education.

## Why are you interested in serving on a City board, commission or committee?

---

I would like to get back involved in running our city. 4a/b boards cover some of my areas of interest and ability. Streets, housing, education, and economic development. On those boards specifically I see a need for a member who is experienced from a council point of view and can ensure that we pass along wins for the Council to approve, not embarrassments.

## Interests & Experiences

**Do you currently serve on any other City board, commission or committee at this time? If so, please list:**

I do not currently serve on a City board, commission or committee. I do serve as a member of the Board of Directors with my homeowners association, Tropic Isles HOA, in Flour Bluff.

## Education, Professional and/or Community Activity (Present)

---

I have a Bachelor of Science degree in Geography from the University of California at Davis. I am the Director of Planning at the Corpus Christi Regional Transportation Authority (CCRTA). In addition, I am a Project Management Professional (PMP). During periods of implementing service improvements or conducting major planning studies, I have connected with the community throughout the City of Corpus Christi. Additionally, I interface with the CCRTA Board of Directors each month through presentations at meetings to advance transit initiatives and report performance statistics. I enjoy living in Corpus Christi and serving the community as a CCRTA professional. I've talked with residents and visitors at transit stations, bus stops, on buses, while walking in downtown or in the neighborhoods. I've confidently presented in front of several stakeholder groups at senior centers, schools, neighborhood associations including North Beach, Flour Bluff, and the Northside area, City of Corpus Christi Committee for Persons with Disabilities, Young Business Professionals, Downtown Merchants Association, Corpus Christi MPO Technical Advisory Committee, CCRTA Board of Directors, CCRTA Committee on Accessible Transportation, R/UDAT Steering Committee, Caller Times, Naval Air Station, Corpus Christi Army Depot, and other groups. I am a member of the Corpus Christi Metropolitan Planning Organization (MPO) Technical Advisory Committee, CCRTA-City of Corpus Christi Monthly Coordination Meetings, and the Regional/Urban Design Assistance Team Program (R/UDAT) Steering Committee which was formed in the Fall of 2014.

## Why are you interested in serving on a City board, commission or committee?

---

Corpus Christi is a diverse city with multiple business, education, recreation, and tourism opportunities. It is a growing region that needs to strategically advance more development and revitalization efforts. My interests while serving on a committee are to increase family and youth activities, improve economic development, provide focused revitalization opportunities to attract more residents and visitors to our community, and foster public and private partnerships to increase our overall livelihood. By serving on a City of Corpus Christi Committee, I believe that I have the background and professional knowledge to make a positive impact for our community.

**Gordon Robinson • Page 2**

07/2010-10/2011: **Transit Planning Manager**, Orange County Transportation Authority (OCTA), Strategic Planning Department, Planning Division. Orange, California.

- Managed new transit planning section under the Planning Division responsible for completing a \$500,000 comprehensive systemwide fixed route and paratransit bus system restructuring study, branded the "Transit System Study", with extensive public outreach with approximately 50 stakeholders including all 34 cities in Orange County, the public, transit advocates, major employers, major colleges and universities, and the Board of Directors.
- Effectively led a team to develop work plans for prioritized annual and short range transit plans, completed transit initiatives including OCTA's Go Local Program and other planning studies, and submitted a planning grant application for a regional park and ride study in partnership with Caltrans.
- Developed a 20-year bus capital plan, conducting transit planning study to improve service delivery at the Brea Mall transit center, completing project study report equivalents at the Laguna Hills Transportation Center and the Anaheim Regional Transportation Intermodal Center to improve and define service design.
- Regularly analyzed, monitored, and reported ridership results and performance metrics using Genfare fare box data, automated passenger counters, and Orbital CAD/AVL.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and several other stakeholder groups.

12/2007-06/2010: **Bus Rapid Transit Project Manager**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy Department, Transit Division. Orange, California.

- Project manager and contract manager to oversee 15 firms under the Program Management Consultant multi-year contract to support the Five-Year Rapid Transit Program involving the Bus Rapid Transit (BRT) program, Go Local and Measure M community circulator programs, and the planning and design for the Anaheim Regional Transportation Intermodal Center.
- Project manager in charge of OCTA's federally and state funded \$55 million Bravo! BRT program responsible for completing the design, construction, and implementation phases of three planned arterial based mixed-flow BRT corridors in Orange County.
- Led and coordinated multiple consultant team contracts for the civil and architectural design of approximately 110 BRT station stops including the preliminary design of a real-time passenger information system, traffic signal synchronization design and implementation, and preliminary concept design of transit signal priority elements for 252 intersections within the BRT corridors.
- Participated in contract negotiations with Procurement Department and legal counsel to resolve consultant performance and invoicing issues.
- Researched fare collection methods and travel time delays to reduce anticipated dwell times.
- Led grant application efforts to obtain funding to implement traffic signal synchronization.
- Conducted and coordinated stakeholder outreach efforts throughout the design of the BRT program.
- Prepared and presented regular progress updates and reports to executive management, the Board of Directors, and other stakeholder groups.

03/2002-11/2007: **Senior Transportation Analyst**, Orange County Transportation Authority (OCTA), Service Planning and Customer Advocacy and Strategic Planning Departments in the Transit and Planning Divisions. Orange, California.

- Managed and coordinated the planning and implementation of new bus services and other bus service improvements and recommendations for each service change using field work and data analysis tactics.
- Developed specific work plans for small contracts, analyze data to support transit planning studies, assess ridership projections, and support routing and stop improvements.
- Conducted analysis using GIRO's HASTUS scheduling databases, GFI fare box data, and Geographic Information Systems (GIS) methods and applications to assess travel speeds and service levels throughout city and unincorporated areas within the service area.
- Prepared and presented reports to Board of Directors and coordinated with stakeholder groups to implement improvements.

07/2000-03/2002: **Systems Manager**, FORMA. Irvine, California.

- Under the Planning Division, managed GIS staff assigning tasks, monitoring budgets, schedules, and project deadlines while performing external and internal marketing responsibilities including proposal writing, proposal interviews, demonstrations, conference presentations, developing business relationships, and completing marketing brochures and posters.
- Served as project manager for the \$170,000 Rivers and Mountains Conservancy Open Space Plan which included the data collection and GIS system development of over 650 data sets containing aerial imagery, historical, infrastructural, biological, demographical, transportation, and other planning related data. Coordinated and authored responses to request for proposals for GIS projects and built product demonstrations and brochures for presentations, meetings, and clients using ESRI software products.
- Provided private and public sector clients with GIS analysis results, reports, maps, and modeled visualizations, AutoCAD drawing modifications, and Microsoft Access software to support projects and related tasks.

11/1994-06/2000: **Senior GIS Analyst**, RBF Consulting, Information Systems Services Department. Irvine, California.

- In support of planning and engineering projects, supervised a team of employees assigning tasks, monitoring budgets, and schedules to meet project milestones for private and public sector clients. Served as deputy project manager for the completion of the Natural Communities Conservation Plan (Orange County Central-Coastal NCCP/HCP) planning effort in collaboration with the Irvine Company and other organizations to preserve open space, multiple species, and habitat areas in Orange County.
- Served as lead analyst to develop a transportation travel time model in order to determine the best location of a new fire station to serve a planned new development in south Orange County.
- Provided on-site GIS support for the OCTA to build and edit spatial and tabular routing data for transit and master plan of arterial highway applications. Served as data conversion manager for the City of Santa Barbara Automated Mapping Services project responsible for the data collection and conversion of over 330 water and wastewater atlas sheets containing over 18,000 facilities.
- Performed GIS analysis and mapping using ESRI software products, Microstation SE and Descartes, Microsoft Access, and MapObjects software to support projects.

## Why are you interested in serving on a City board, commission or committee?

This particular board, CC B-Corp., interests me. For years I've experienced roadways that need improvement. I believe it can be done without going bankrupt. There is a right way to steer tax-resources for economic development. This unique approach will turn a profit & minimize wastefulness. Affordable housing shouldn't be perceived as an eyesore, but something valued by their occupant(s). Peak dwelling condition should be maintained from move-in through move-out. Recent events may provide more workers requiring local housing & that, in turn, will increase tax-revenue. The time to act is now & get ahead of the curve; a plan in place will always prevail plans made to re-gain lost ground.

**Board-specific questions (if applicable)**

Kristie Moeller Veit is the President of Communications Workers of America-Local 6137, President of the Coastal Bend Labor Council, and area Vice President for the Texas AFL-CIO.

Kristie Moeller Veit joined CWA 6137 in 1999 when hired on with Southwestern Bell (now AT&T) and immediately became an activist in her union. She became a job steward in 2001, then in 2004 was elected by the membership as Secretary-Treasurer. In 2011 she was elected President and re-elected in 2014.

While serving the labor movement in the early years, CWA assigned her to be a delegate to the Coastal Bend Labor Council, where she served on the scholarship committee, and as Political and Legislative chair from 2003-2011. She was elected as Vice President of the CBLC in 2012, then elected President of the CBLC in June 2015.

Because of her commitment to working families, in 2013 she was elected to the statewide organization, Texas AFL-CIO, as an Executive Board member, and re-elected 2015, while also elected to serve the Texas AFL-CIO as a Board Trustee.
