

USE PRIVILEGE AGREEMENT

STATE OF TEXAS §
 §
COUNTY OF NUECES §

This use privilege agreement ("Agreement") is entered into by and between the City of Corpus Christi ("City"), a Texas home-rule municipal corporation, and Valls Wildcat II, LLC, a Texas limited liability company, whose business address is 210 S. Caranacahua, Suite, 600, Corpus Christi, TX 78401

In accordance with Article IX, Section 1, of the City's City Charter and in consideration of a one-time payment of (\$1,560.00) paid by Permittee, the receipt of which for the initial year is acknowledged, the City has granted and conveyed, and by these presents does grant and convey to Permittee, for the term and upon the conditions stated in this Agreement, a use privilege for the right to install, operate, maintain, repair, and remove, approximately 780 LF of 2" forced main piping, as shown in Exhibits "A" (Location Map) and "B" (Plan View and Profile View). Exhibits "A" and "B" are attached to this Agreement and incorporated into this Agreement by reference as if fully set out herein in their entirety. The area in which the use privilege is granted for the location of the Permittee's Wastewater Line is referred to in this Agreement as the "Use Privilege Area."

TO HAVE AND TO HOLD the same use privilege granted unto Permittee, its successors, and assigns, together with the right under the conditions specified in this Agreement, to at any time enter upon the above described Use Privilege Area to install, operate, maintain, repair, or remove Permittee's Wastewater Line, and being further understood that the use privilege granted by this Agreement is subject to the Permittee's compliance at all times with the following conditions, the City and Permittee agree as follows:

- A. This Agreement, and the rights granted under the Agreement, may be revoked at any time by the City upon providing the Permittee not less than 30 days notice in writing by the City's City Manager, or his designee ("City Manager"). In the event of a revocation by the City Manager or earlier termination of this Agreement by either party, no portion of any payment made under this Agreement is refundable to the Permittee.
- B. This Agreement is for a term of one (1) year from the date executed by the City. At the end of the initial term, this Agreement renews automatically unless the Permittee or the City provides written notice of intent not to renew to the non-terminating party at least 60 days before the end of any annual term.
- C. This Agreement may not be assigned by Permittee without the City Manager's prior written consent.

- D. During construction or maintenance of improvements pertaining to the Use Privilege Area granted under this Agreement, insurance requirements are as stated in Exhibit 1, the content of which is incorporated by reference into this Agreement as if fully set out here in its entirety.

Before construction or maintenance of the improvements pertaining to the Use Privilege Area granted under this Agreement can begin, the Permittee must deliver a certificate of insurance ("COI"), as proof of the required insurance coverages, to the City's Risk Manager and Director of Development Services Department. Additionally, the COI must state that the City will be given at least 30 days' advance written notice of cancellation, material change in coverage, or intent not to renew any of the policies. The City must be named as an additional insured. The City Attorney must be given copies of all insurance policies within 10 days of the City Manager's written request.

- E. Should construction be deemed necessary by Permittee in the Use Privilege Area, construction plans and specifications for all proposed work shall be submitted in advance by the Permittee to the City's City Engineer for approval prior to beginning the construction process. The plans must show the depth, and location of the proposed construction and distance from existing water, storm water, wastewater, and gas lines. The Permittee shall also comply with any other laws, rules, regulations, and ordinances applicable to construction in the City and in the public right-of-way, including obtaining all required permits.
- F. Prior to the start of any approved construction, Permittee shall require every contractor and subcontractor to provide a Certificate of Insurance reflecting insurance in coverage amounts as set forth in Exhibit "C." Additionally, Permittee shall require their contractors and subcontractors to indemnify the City, its officers, officials, employees, representatives, agents, licensees, and invitees in the same manner that Permittee has provided indemnification to the City pursuant to this Agreement.
- G. Permittee shall provide all necessary and proper safety devices so as to prevent injuries or accidents in the Use Privilege Area, in as much as possible.
- H. At least 48 hours prior to beginning any approved construction, Permittee shall contact 1-800-DIG-TESS and the Lone Star Notification Center (1-800-669-8344), and any other required agency or authority. Additionally, at least 48 hours prior to beginning any approved construction, Permittee shall give notice and verify depth and location of communication lines or communication fiber optic cables, whichever is applicable, to the following:
- City Utility Departments, including Water, Storm water, Wastewater and Gas;
 - American Electric Power (AEP);

- American Telephone and Telegraph (AT&T);
- CenturyTel;
- Time Warner;
- Grande Communications; and
- Any and all other certified telecommunications providers.

A City inspector may request a utility line be uncovered to verify its depth or location.

- I. Any construction process and use of the Use Privilege Area by Permittee shall not interfere with the construction, installation, operation, maintenance, repair, removal or replacement by the City or any of its agents, contractors, or franchisees of any existing or future proposed sidewalks, utility lines, or other uses. If the City or any franchisee with utilities currently located in said public right-of-way needs access to the right-of-way, Permittee shall pay for removing or relocating the private wastewater line in the Use Privilege Area to allow access to utility lines for maintenance, repair, removal, or replacement of the utility lines. The Permittee shall repair the Use Privilege Area to its original condition or cease to use the Use Privilege Area, at which time this AGREEMENT terminates immediately.
- J. Traffic Engineer requirements pertaining to this Agreement, if applicable in context:
 1. At least 48 hours prior to commencing any approved construction, the Permittee shall file and obtain approval for a traffic control plan with the City's Traffic Engineer. No closure or barricading of a public right-of-way or any portion of a public right-of-way may occur before approval of the traffic control plan and, if applicable, approval of a detour or barricade plan has been obtained from the City's Traffic Engineer.
 2. Should Permittee require a trench, pit, or similar excavation be dug during approved construction, the Permittee shall file and obtain approval for barricading said trench, pit, or excavation in accordance with the Texas Manual on Uniform Traffic Control Devices from the City's Traffic Engineer. [See paragraph "P" of this Agreement for additional requirements regarding trenches, pits and similar excavations.]
- K. If, as determined by the City Manager, damage occurs to any gas, water, storm water, or wastewater line, Permittee shall allow the City immediate access to the Use Privilege Area to perform an assessment, make repairs, or take any other action deemed necessary by the City. Determination of the extent of damage and repairs necessary to restore the utility line(s) shall be made by the City Manager. All costs of the City associated with said damage

and repair, including labor and materials, shall be paid by Permittee within 30 days of the City's invoice.

- L. Should construction become necessary near existing water or wastewater lines, Permittee shall take every precaution not to disturb the soil surrounding any such lines, including all thrust blocks.
- M. If any approved work is conducted near any existing water main, it shall be done under the inspection of a City inspector at a daily rate of three-hundred ten dollars and thirty-five cents (\$310.35) for each day spent inspecting construction, installation, maintenance, repair, removal, or replacement in the Use Privilege Area. A half-day, being four hours or more of work time by the City inspector, constitutes a whole working day for purposes of calculation. Any time in excess of eight hours a day, or on Saturday, Sunday or holidays, shall be calculated at a daily rate of fifty-eight dollars and eighteen cents (\$58.18) per hour. Any assessed inspection fees shall be paid by the Permittee to the appropriate City department within 30 days of the City's invoice. These amounts will be adjusted annually each year on August 1 to reflect any pay increases that may be attributable to the rates charged.
- N. At any and all times Permittee shall be responsible for the repair and maintenance of the Wastewater Line and Use Privilege Area, including any costs associated with damage occurring due to natural weather elements/occurrences or man-made forces. Should damage occur to the Wastewater Line or Use Privilege Area, regardless of the type of damage, Permittee shall immediately repair the damage upon notice by the City. Failure to so repair terminates this Agreement immediately without any further action needed on the part of the City.
- O. Permittee shall repair, or cause to be repaired, any damage to driveways, culverts, head walls, landscaping, sidewalks, curbs, gutters, and any other structure, public or private, resulting from or caused by reason of construction, installation, maintenance, repair, removal, replacement or operation of the Wastewater Line and Use Privilege Area.
- P. If a trench, pit, or other excavation is required during approved construction, no trenches, pits, or other excavation, other than bore pits, shall be left open overnight, except as specifically authorized by the City's Director of Development Services and City's Engineer. Bore pits are not allowed open for a period of longer than 14 calendar days, regardless of location. All trenches, pits, or other excavations, other than bore pits, shall be backfilled by the Permittee promptly and in accordance with current City standards and specifications and as per the City inspector's request. All trenches, pits, and other excavations, *including* bore pits, shall be barricaded by the Permittee in accordance with the Texas Manual on Uniform Traffic Control Devices and as

approved by the City's Traffic Engineer. [See paragraph "J.2." for additional requirements pertaining to trenches, pits, and other excavations.]

- Q. If backfilling becomes necessary, all backfill, specifically including that in and around existing utilities, shall be made by Permittee according to current City standards and specifications and as required by a City inspector.
- R. Use of the Wastewater Line authorized by this Agreement is strictly limited to providing service to the Valls Wildcat II, LLC located at 1402 Spindletop Road, Corpus Christi, TX 78408, in the Use Privilege Area. Permittee shall not provide, nor permit anyone else to provide or receive, service through said Wastewater Line, or at any facilities within the City other than the building facilities specifically included in this Agreement without first obtaining a franchise or other required approval from the City.
- S. **INDEMNIFICATION. Permittee shall fully indemnify and hold harmless the City of Corpus Christi, its officers, officials, employees, and agents ("indemnitees") from and against all suits, claims, demands, actions, losses, costs, expenses, liability, damages and judgments recovered from or asserted against City for any and all property damage or injuries sustained by any person, including without limitation, workers' compensation, personal injury or death, arising from or incident to, be caused by, or be in any way connected with, either proximately or remotely, wholly or in part, the use privilege granted.**
- T. All signatories signing this Agreement warrant and guarantee that they have the authority to act on behalf of the entity represented and make this Agreement binding and enforceable by their signatures.
- U. Unless otherwise stated in this Agreement, any notice required or permitted to be given under this Agreement must be in writing and sent by certified mail, return receipt requested to the following addresses:

Corpus Christi, TX 78469-9277

Any party shall, by notice to the others in accordance with the provisions of this paragraph, specify a different address or addressee for notice purposes within 10 days of any address change.

- V. This Agreement shall be construed under and in accordance with the laws of the State of Texas, and all obligations of the parties created pursuant to this Agreement are performable in Nueces County, Texas. Venue for all actions arising from, out of, or related to this Agreement must be brought in Nueces County, Texas.
- W. The Permittee further agrees, in compliance with the City of Corpus Christi Ordinance No. 17112, to complete, as part of this Agreement, the "Disclosure of Interests" form attached to this Agreement as Exhibit "D." (b) The deductible amount stated in the Declarations applies to all damages sustained by any one "employee", including such "employee's" dependents and beneficiaries, because of all acts, errors or omissions to which this insurance applies.

(c) The terms of this insurance, including those with respect to:

- 1) Our right and duty to defend the insured against any "suits" seeking those damages; and
- 2) Your duties, and the duties of any other involved insured, in the event of an act, error or omission, or claim,

apply irrespective of the application of the deductible amount.

(d) We may pay any part or all of the deductible amount to effect settlement of any claim or "suit" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.

d. Additional Conditions

As respects Employee Benefit Liability Coverage, SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS is amended as follows:

- (1) Item 2. Duties in the Event of Occurrence, Offense, Claim or Suit is deleted in its entirety and replaced by the following:

2. Duties in the Event of an Act, Error or Omission, or Claim or Suit

- a. You must see to it that we are notified as soon as practicable of an act, error or omission which may result in a claim. To the extent possible, notice should include:

- (1) What the act, error or omission was and when it occurred; and
- (2) The names and addresses of anyone who may suffer damages as a result of the act, error or omission.

- b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense without our consent.

- (2) Item 5. **Other Insurance** is deleted in its entirety and replaced by the following:

5. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when c. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in b. below.

b. Method of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

c. No Coverage

This insurance shall not cover any loss for which the insured is entitled to recovery under any other insurance in force previous to the effective date of this Coverage Part.
