Marisa Alaniz, E.I.T.
City of Corpus Christi- Project Manager
1201 Leopard Street
Corpus Christi, Texas 78469

**RE: Schanen Ditch Hike and Bike Trail - Saratoga to Killarmet,
Project No. E16258 - Letter of Recommendation of Award of Contract**

Dear Marisa Alaniz,

Bids for the subject project were publicly opened on May 23, 2018. A total of fourteen (14) bids were received for the project (see attached bid tabulation). The three lowest apparent bidders on the project are **Mo-Con Services Inc.** with a total base bid of **\$444,554.15**, **Boretex LLC** with a total base bid of **\$546,466.37**, and **A. Ortiz Construction & Paving Inc.** with a total base bid of **\$547,669.14**. No Additives/Alternates were included for this project.

Our office has reviewed all three lowest apparent bidder's Statement of Experience (SOE) submitted subsequent to the bid date (see attachments). During our review additional information was gathered from the three lowest bidder's provided references from previously completed projects. Both A. Ortiz Construction & Paving Inc. and Mo-Con Services Inc. have previously worked/completed projects with the city of Corpus Christi and have experience with the City's construction requirements. All three lowest apparent bidders have key personnel listed for the project (Project Manager, Superintendent, etc.) that appear to satisfy all the minimum experience requirements listed in the contract documents. After phone interviews with the provided references from the three lowest bidder's previous projects, our office has received satisfactory reviews from the three lowest bidders for their performance and quality from their listed previous projects.

Therefore, after final review from the SOE of the three lowest bidders, MGM recommends award of this project to Mo-Con Services Inc. with a total base bid of \$444,554.15 as the lowest qualified bidder from the three lowest bidders for this project.

Sincerely,

Ricardo Martinez, P.E.
