# Vicinity Map

# Project Scope

The Schanen Ditch Trail is a 3.5 mile trail to create off-road connectivity to numerous neighborhoods, community parks and a safe route to local schools from Yorktown Blvd. to Corona Dr. This construction contract is for Phase 3 of 5. This contract includes:

- New 10ft wide concrete trail approx. 2,000LF (Saratoga Blvd to Killarmet Dr.)
- Trail markers and directional signage at key locations
- Safety railing along ditch side of trail
- Consistent with MPO's Bike Mobility Plan
- Joint TxDOT(MPO)/City project with shared cost of 80/20 respectively

Other phases:

- Phase 1 and 2 (complete)
- Phase 4 from Killarmet to Holly (approved state funding through the MPO's 2018 Transportation Alternative Set-Aside Program)
- Phase 5 from Holly to Corona (future)

The Corona Dr. Bond 2014 Street Reconstruction includes multi-use trail extending connectivity of the Schanen Ditch Trail to Everhart Rd./SPID area.
