DEAAG Projects

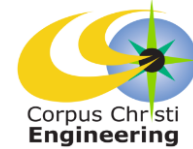

The City received a DEAAG in March 2018 for two projects intended to enhance the security and sustainability of CCAD and NASCC.

- CCAD Security Enclave (**THIS PROJECT**):
 - ✓ New perimeter security fencing, turnstiles and vehicle sliding gates
 - ✓ Surveillance systems with cameras and access controls
 - ✓ Miscellaneous sidewalk, driveway and landscaping improvements
 - ✓ Item provides for the engineering design and permitting.

- The NASCC Water Pipeline Extension:
 - ✓ Project is being developed in two segments. One segment is being constructed by City crews and one segment will be constructed by the City's existing Waterline IDIQ contractor
