RESUME

EDWARD L. SAMPLE, P.E., R.P.L.S.

Military Service:

July 1965 to April 1966

June 1969 to August 1970

Army Reserve September 1970 to 1975.

CAREER SUMMARY

Demonstrated accomplishments in engineering, College teaching and politics as an elected City Councilman in Corpus Christi.

CELANESE CHEMICAL COMPANY, Bishop, Texas

Project Engineer, Equipment Design Group. The work included projects involving the design of heat exchangers, vessels and towers. I became knowledgeable of the various sections of the TEMA and ASME codes. This knowledge enabled me to handle projects such as heat exchanger installation and re-traying of towers. My duties also required me to draft changes to this type of mechanical equipment when repairs were necessary.

August 1970 to December 1972

TEXAS A&I UNIVERSITY, Kingsville, Texas

Graduate Assistant, College of Business. Instructed an Introduction to business course. This was a three-semester hour credit course covering in a general format the various areas of business such as accounting, marketing, finance, economics and management.

February 1973 to October 1973

AMOCO PRODUCTION COMPANY, Corpus Christi, Texas

My duties included receiving production reports from 15 to 20 oil and gas wells. These reports were analyzed to determine whether the monthly allowable for each well was exceeded during the month. If the allowable had been exceeded or was not produced, the field engineer was contacted and informed of the situation. A compilation of these reports was forwarded to the District Office.

CITY COUNCILMEMBER

City of Corpus Christi, Texas.

Elected to and served three consecutive terms (6 years) as a City councilman. Serving the last two-year term as Mayor Pro-tem or Vice-Mayor.

CHAMPLIN PETROLEUM COMPANY, Corpus Christi, Texas

October 1973 to July 1975: Mechanical Engineer. My duties were to furnish engineering services in connection with plant changes, coordinating activities of contractors in design and construction. I was Project Engineer for the construction of a \$540,000 fuel oil firing system for the refinery boiler plant. Additionally, I worked as the Project Engineer for the design and construction of a \$94,000 fire water line modification to the refinery firewater system.

August 1975 to August 1977: Chief Mechanical Engineer. I was responsible for all mechanical and project engineering at the Corpus Christi Refinery. This included engineering associated with normal plant maintenance, necessary alterations and new construction. In my supervision were five engineers, one engineer inspector, an inspector technician and two draftsmen.

August 1984 to October 1998

CORPUS CHRISTI ARMY DEPOT, Corpus Christi, Texas

Served as senior engineer in the Heating Ventilation & Air Conditioning (HVAC) area. Reviewed mechanical portions of engineering designs prepared by A/E firms. Checked for proper interpretation and application of criteria to ensure that design drawings and purposes of design are accurate and that conclusions and assumptions are sound. Noted deficiencies or discrepancies and prepared comments and recommendations for the correction of design by A/E firms. Approved mechanical plans and specifications. Made field trips to construction sites to study and developed reports and designs pertinent to exact site conditions.

Indoor Air Quality and employee complaints: Frequently, problems resulted when a building was operated or maintained in a manner that is inconsistent with its original design or prescribed operating procedures. Therefore, the design and operating procedures were checked and verified. Investigated complaints from employees occupying various air-conditioned office areas. Occupants' complaints varied; acute discomfort, headache, eye, nose or throat irritation, dry cough, and sensitivity to odors. Observed and participated in proper building investigation procedures to identify and solve indoor air quality complaints to prevent them from recurring and which avoided the creation of other problems.

Military: Ordnance Officer, U.S. Army: April 1966 to August 1968. Promoted to rank of Captain. September 1968 to May 1975: Served as Volunteer Reservist, Maintenance Officer and NCO Academy Instructor, Corpus Christi, Texas.

November 1998 to May 2013

SAMPLE ENGINEERING, Inc. Corpus Christi, Texas

Offers a full range of services structural engineering including windstorm inspections for new homes, room additions, roofs, foundation design, Foundation inspections, Home design services, and Land Surveying. This business was sold to a local engineering firm.

June 2013 to present (Owner)

TRADEWINDS CONSULTING GROUP, Inc. Corpus Christi, Texas

Engineering consulting for forensic engineering projects under construction or completed.

EDUCATION

1965 BS Mechanical Engineer, Prairie View A&M University, Prairie View, TX.

1973 MBA Texas A&I University, Kingsville, TX.

2015 Master of Arts, Corpus Christi Theological Seminary.

REGISTRATIONS, Licenses

Why are you interested in serving on a City board, commission or committee?

I heard the Ethics committee presenting at a city council meeting once and I was very intrigued of the content that was discussed. I have a great appreciation of how they presented rules and criteria to the council and also how they debated when necessary so that the council could better follow the ethic rules.

To Whom It May Concern,

I am writing in response to your job posting for the *Temporary Administrative Support Pool*. I am applying because I feel this opportunity will allow me to gain valuable work experience, broaden my knowledge and enhance my skills.

Based on the requirements listed in the job application, I feel that my work ethic, skills, and experience make me a strong candidate for this position.

I am an outgoing ambivert who's driven, friendly, trustworthy, able to work independently as well as in a group/team setting. I have years of experience working with Microsoft Office regarding Outlook, Excel, Word, and Powerpoint acquired from my summer internship at the City of Corpus Christi Mayor's office and Career Services at TAMU-CC. From working in the Career Services department here at TAMUCC for nearly a year, it allowed me to become more detailed oriented to ensure accuracy.

My various employment positions have given me the chance to develop important skills such as customer service, time-management, organization, multitasking, leadership, and communication which allow me to be adaptable to different situations.

I have enclosed my resume for you to review. I look forward to hearing your decision regarding my job application for the position. If you have any questions or require any further documentation, please feel free to contact me by phone at 361-558-2945

Sincerely,

Sandra Sanchez
