

# Seawall Capital Repairs (CIP – Type A)

Type A Board Presentation  
October 15, 2018

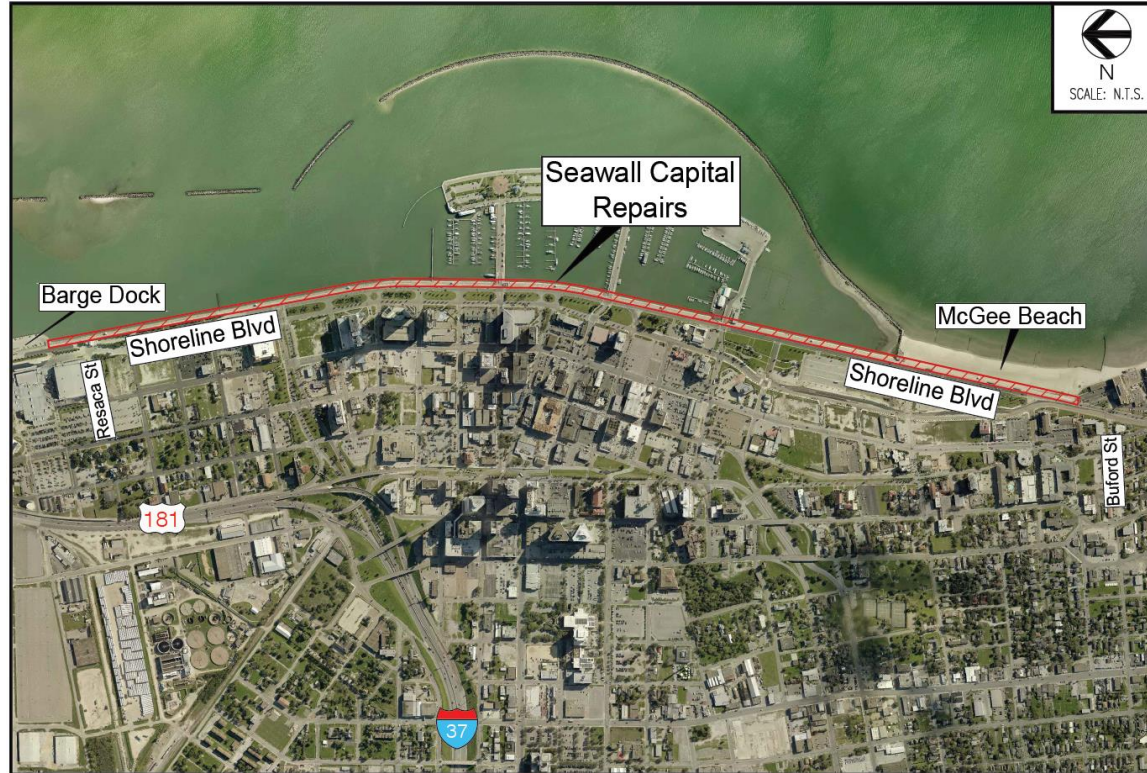

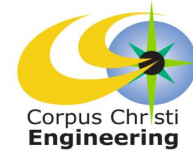

# Project Location

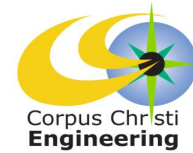

# Project Vicinity

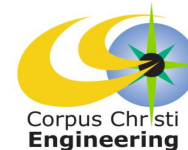

# Project Scope

- Downtown Seawall must be inspected and repaired on a regular schedule
  - Routine repairs can defer potentially costly major structural reconstruction efforts
  - Major reconstruction completed in 2006
  - Subsequent minor repairs completed in 2014
- Original contract inspected the Seawall and provided recommendations for repairs
- This amendment provides design services for construction documents to repair the Seawall structure and miradors
