Mr. Collins,

We Urban Engineering, on behalf of Puerto Los Caballeros LLC, submit to you this request for a waiver from the sidewalk requirement under Section 8.2.2 of the Unified Development Code. Our reasons for this request are as follows. The property is in a relatively rural portion of city bound by a county road and state highway where no sidewalk network exist along or adjacent to the property nor within several miles of the property. Thank you in advance for your consideration of this request and please let me know if you have any questions or need additional information.
