Brochure Language

“This project includes reconstruction of Beach Access Roads on North Padre Island, including Beach Access Road 3A, and consideration will be given to other beach access roads for which the City has the responsibility of maintaining as funding allows.”

Project Scope

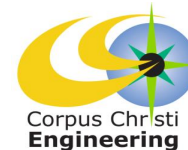

This project provides for rehabilitation/reconstruction of Beach Access Roads within the remaining Bond project funds. The scope is summarized below:

- **NEWPORT PASS ROAD** – full rehabilitation of the existing 2-lane HMAC roadway from State Highway 361 to the beach
- **ZAHN ROAD** – full reconstruction of the existing 2-lane HMAC for approximately 800LF nearest to the beach
- Improvements include (both roads):
 - ✓ New surface pavement bid with Rigid Concrete and Flexible Pavement (PCC & HMAC respectively)
 - ✓ Re-grading of roadside ditches/embankments
 - ✓ Dune protection permitting
 - ✓ Markings, signage, etc.
 - ✓ No sidewalks or pedestrian amenities
