

Ordinance Amending One-way Street Designations in the Downtown Area

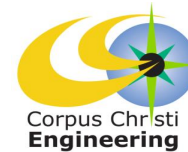

City Council Presentation
November 13, 2018

Background

On April 24, 2018, City Council adopted a Traffic and Planning Analysis for TIRZ #3. The following summarizes the recommendations:

- Enhance pedestrian environment and commercial activity between seawall and T-heads with Shoreline Blvd and Marina Arts District
- Remove “One-Way” Designations between Shoreline Blvd and Water St on the following streets:

Starr St	Peoples St
Schatzell St	William St and
Laguna St. (John Sartain St.)	

- Implement improvements, pavement preparation and markings, traffic signage, and traffic signal timing adjustments
