

Resolution authorizing the purchase of an anti-cavitation hytrol valve from The Scruggs Company of Houston, Texas for a total amount not to exceed \$57,221.59.

WHEREAS, The Scruggs Company will provide this valve for the Utilities-Water Department;

WHEREAS, this valve will be critical in sustaining the ground storage tank level.

WHEREAS, State law provides that such procurements, as outlined above, are subject to statutory procurement requirements, including competitive bids, unless an exception applies;

WHEREAS, there are two statutory exceptions for this procurement in Local Government Code, Section 252.022(a) (2) and (a) (7) (D), as this purchase is necessary to preserve or protect the public health and safety of the municipality's residents and these captive replacement parts are available from only one source.

Be it resolved by the City Council of the City of Corpus Christi, Texas:

Section 1. The City Council specifically finds that the foregoing statements included in the preamble of this resolution are true and correct and adopts such findings for all intents and purposes related to the authorization of this procurement.

Section 2. The City Manager, or designee, is authorized to execute all documents necessary to secure a purchase from The Scruggs Company, of Houston, Texas, as a sole source purchase necessary to protect the public health and safety of the City's residents, for a total amount not-to-exceed \$57,221.59.
