

## COMMENT RESOLUTION PLAT REVIEW COMMENTS

Interdepartmental Staff and outside agencies have reviewed and prepared comments for the proposed plat. All plats must comply with applicable review criteria. These comments are intended to be final. All corrected plats must be submitted with a comment resolution (response) letter for staff review.

Major plats, in compliance with review criteria, are recommended for approval to the Planning Commission by the TRC. Development Services staff will determine when the plat is scheduled for Planning Commission. Administrative plats, in compliance with review criteria, are approved by the Director on a rolling basis.

### Project: 18PL1121

SWACO TRACT, BLOCK 1, LOTS 2B & 2C (REPLAT – 2.40 ACRES)

Located east of Greenwood Drive and north of Saratoga Boulevard.

Zoned: IL Light Industrial with a Special Permit for Auto dismantling operation

Owner: MSP Enterprises, LLC

Engineer: Bass and Welsh Engineering

The applicant proposes to plat the property to replat one lot into two lots to separate the cell tower location.

GIS

**INFORMATIONAL**

**Comments noted below apply to the preliminary site/utility/transportation plan and preliminary storm water quality management plan (SWQMP) as observations for information only. These comments should be considered during subsequent site and public infrastructure development but may be required as a condition for plat consideration by the Planning Commission for approval. Additional comments may be issued with the subsequent submittal plans associated with the property development.**

**LAND DEVELOPMENT**

1. Exempt from Development fees as property is platted and has previously paid on previous plat.
2. Prior to recordation, provide a tax certificate indicating that all taxes have a \$0.00 balance, along with the submittal of the original tracing.
