Memo: Sidewalk Variance

**Subject Property: LOT H-2R, BLOCK 3-B, KALER ADDITION**

This letter is to ask for a variance on the request to install a 4.0 foot concrete sidewalk on Savage Lane side of the Plat. The reason is that there is an open ditch that makes it impossible to put the sidewalk. There is no space between the lot line and the back of curb.

Please consider the variance request we are asking for.

Best Regards,

*Jarrel L. Moore*
