Exhibition - Celebrating Dorothy Hood (1918 – 2000)

KINDRED SPIRITS

at the **MFAH**

When the **Museum of Fine Arts, Houston**, announced a show for Texas' greatest 20th-century painter, collectors of the late **Dorothy Hood** (1918 – 2000) were ecstatic. This time she is paired with the iconoclastic sculptor **Louise Nevelson** (1899 – 1988). **Alison Greene** curates and restores Hood to her place in American art history. Following upon the 2016 Hood retrospective at the Museum of South Texas in Corpus Christi, this exhibition will hopefully place the Houston painter in the limelight for the timeless colorfield/Surrealist artist she is. *"Kindred Spirits: Louise Nevelson & Dorothy Hood," at MFAH, November 3, 2018 through February 3, 2019; mfah.org.* Catherine D.
